COMPLAINT DESCRIPTION:

Proposed Rate Increase...I am writing to protest vehemently the request from Aqua Ohio for a rate increase. What exactly is Aqua Ohio going to do with this extra money? We here in Westpoint and neighboring subdivisions pay exorbitantly more than other communities surrounding us and that includes Columbus! I pay approximately \$130 a month for our water for myself and my children. I am a single mother and an increase would mean we would have to cut something out of our budget, like food for young people who are still growing. I know that others in my area also are writing and contacting you to express their serious concerns over this matter. At least one of them is tied to case #16-097-WW-AIR Thank you. ~Mary
