ENTRY

Entered in the Journal on January 24, 2017

{¶ 1} The Dayton Power and Light Company (DP&L) is a public utility as defined under R.C. 4905.02, and, as such, is subject to the jurisdiction of this Commission.

{¶ 2} On February 22, 2016, DP&L filed an application for a standard service offer pursuant to R.C. 4928.141. DP&L's application is for an electric security plan (ESP) in accordance with R.C. 4928.143. Additionally, DP&L filed accompanying applications for approval of revised tariffs and for approval of certain accounting authority.

{¶ 3} By Entry issued on August 16, 2016, the attorney examiner issued a procedural schedule in this matter. Thereafter, the attorney examiner granted three motions to continue the procedural schedule.

{¶ 4} On January 23, 2017, a joint motion for continuance of the procedural schedule was filed by DP&L and Staff. They assert that settlement discussions have been ongoing and more time would allow the parties to fully explore the possibility of a resolution. The parties propose that the hearing be continued until February 1, 2017.

{¶ 5} The attorney examiner finds that the joint motion to continue the procedural schedule is reasonable and should be granted. Accordingly, the hearing should be rescheduled for February 1, 2017, in Hearing Room 11-A, at 10:00 a.m., at the offices of the Commission, 180 East Broad Street, Columbus, Ohio 43215.

{¶ 6} It is, therefore,

{¶ 7} ORDERED, That the motion for a continuance be granted and the hearing be rescheduled in accordance with Paragraph 5. It is, further,

{¶ 8} ORDERED, That a copy of this Entry be served upon each party of record.
