Re: TeleDias Communications, Inc.
OH PUC ID#: 90-6091

Dear Sir or Madam:

TeleDias Communications, Inc., a non facilities-based long distance reseller, OH PUC ID#: 90-6091; FEIN: 42-1533636, hereby notifies the Commission that the company has ceased all operations and gone out of business, having no assets, funds, staff or other resources. TeleDias has terminated its lease and closed the corporate office located at 1100 California Ave., Ste. 220, Reno NV 89509 and terminated all staff.

However, before termination of business, TeleDias did notify all Ohio long distance customers of the termination and assisted them with finding another long distance carrier.

As a result of this unexpected closing, notification of the cessation of business is the last and only function this office has authority to perform.

Regards,

Vice President
