Subject: PUCO Opposition to Corridor Pipeline

I am writing in opposition to the central corridor pipeline. My husband, children, and I just moved to Madeira from out of state for the wonderful community we understand it to be. We are incredibly disappointed to see the new path for the pipeline goes along Kenwood Road, in the yards of many homes, and that we are in the explosion zone.

There are numerous safety, environmental, and land-use rights issues and risks that lead us to oppose this, and we hope a resolution can be made that re-routes the pipeline and avoids a residential area.

Sincerely,
Nicki Byrnes
