Subject: Oppose the Central Corridor Pipeline Extension Project

Dear PUCO Commissioner Thomas W. Johnson,

As a resident of Sycamore Twp and concerned citizen, I am writing you to register my opposition to Central Corridor Pipeline Extension Project (Reference No. 16-253- GA-BTX).

My husband, John, and I oppose the Central Corridor Pipeline Extension Project because we believe it would bring an unnecessary risk to a densely populated area containing homes, schools, parks, churches and businesses. We live approximately 1/2 mile from the end of the proposed pipeline.

This pipeline will travel through densely populated areas, including my neighborhood and will pose a danger to residences, schools, businesses and houses of worship.

Unlike delivery pipelines, this pipeline will be under up to 720psi pressure and an accident or rupture could cause injuries, death and destruction of property within a radius of 1/3 mile.

I ask you to oppose this pipeline and encourage both Duke Energy and the Ohio Power Siting Board to reject this pipeline

Thank you for your consideration.

Regards,
Barbara Dorger
