COMPANY_NAME: RE: Duke Energy Pipeline Extension
CASE_NUMBER: #16-0253-GA-BTX

COMMENTS: I am voicing my opposition to this pipeline and urging this board to not approve this application. I am in the evacuation zone, this will affect my property value and my peace of mind. I have not heard convincing reasons from Duke for the need of this pipeline. Also, I do not think they are acting in good faith. They have a public meeting scheduled for 1/26/17 but file a 200+ page amendment the Friday before this meeting. I have not had time to digest what the changes are. Please consider the businesses, hospitals, schools, churches, nursing homes in addition to the residential neighborhoods. We need to be kept safe and need this Siting Board to protect us. Thank you.
