Subject: I Oppose the Pipeline 16-0253-GA-BTX

Dear Members of the Ohio Power Siting Board,

My name is Carolyn Minton and I am a resident of Blue Ash Ohio. I am a business owner, an employee of Sycamore School District, parent, a property owner and concerned citizen.

I STRONGLY OPPOSE the pipeline project 16-0253-GA-BTX that is proposed. A project of this magnitude is a bad plan for such a densely populated area. The number of people put at risk for this venture is far too great. Five schools, two hospitals, many medical professional buildings, hundreds of homes and thousands of people are directly impacted by this project.

It is irresponsible to place such an enormous number of people in harm's way. Listen to the residents. Their voices matter!

Sincerely,

Carolyn Minton
