To Whom It May Concern:

My wife and I own a roof-top solar array and our array is currently listed in PUCO Docketing General Information, Regulated Company List as "Tom And Lea Anne Kangas Solar Electric."

We note that some items in the Regulated Company List are referred to by their physical location.

Would it be possible to change the name of our solar array to the more generic "3641 Weston Place Solar Electric?"

Yours truly,

Tom Kangas
