**BEFORE
THE PUBLIC UTILITIES COMMISSION OF OHIO**

In the Matter of the Application of)	
Columbia Gas of Ohio, Inc. for Approval)	Case No. 16-2422-GA-ALT
of an Alternative Form of Regulation.)	

MOTION TO INTERVENE

Industrial Energy Users-Ohio ("IEU-Ohio") hereby respectfully moves the Public Utilities Commission of Ohio ("Commission"), pursuant to R.C. 4903.221 and Rule 4901-1-11, Ohio Administrative Code, for leave to intervene in the above-captioned matter with the full powers and rights granted by the Commission, specifically by statute or by the provisions of the Ohio Administrative Code, to intervening parties.

On December 27, 2016, Columbia Gas of Ohio, Inc. ("Columbia") filed a notice of intent to file an application for approval of an alternative rate plan under R.C. 4929.05. The alternative rate plan requests approval to extend and increase Columbia's Infrastructure Replacement Program ("IRP") approved in Case No. 11-5515-GA-ALT. IEU-Ohio's members include end-use customers of Columbia and as such are subject to Columbia's rates, including the rates for the IRP. Furthermore, the Commission has already recognized IEU-Ohio's interest in Columbia's IRP, granting IEU-Ohio's request to intervene in Case No. 11-5515-GA-ALT.¹

IEU-Ohio has a direct, real, and substantial interest in the issues and matters involved in this proceeding, and is so situated that the disposition of this proceeding may, as a practical matter, impair or impede its ability to protect that interest. IEU-Ohio believes

that its participation will not unduly prolong or delay this proceeding and that it will significantly contribute to the full development and equitable resolution of the factual and other issues in this proceeding. The interests of IEU-Ohio will not be adequately represented by other parties to the proceeding and, as such, IEU-Ohio is entitled to intervene with the full powers and rights granted by the Commission, specifically by statute and by the provisions of the Ohio Administrative Code, to intervening parties.

Respectfully submitted,

/s/ Matthew R. Pritchard

MEMORANDUM IN SUPPORT

In support of this Motion to Intervene, IEU-Ohio states that it is an association of ultimate customers. A current listing of IEU-Ohio member companies is available on IEU-Ohio's website at http://www.ieu-ohio.org/member_list.aspx. IEU-Ohio's members purchase substantial amounts of natural gas and related transportation and delivery services.

IEU-Ohio's members work together to address matters that affect the availability and price of utility services. Additionally, IEU-Ohio seeks to promote customer-driven policies that will assure an adequate, reliable, and efficient supply of energy for all consumers at competitive prices.

On December 27, 2016, Columbia filed an application for approval of an alternative rate plan under R.C. 4929.05. The alternative rate plan requests approval to extend and increase Columbia's IRP approved in Case No. 11-5515-GA-ALT. IEU-Ohio's members include end-use customers of Columbia and as such are subject to Columbia's rates, including the rates for the IRP. Furthermore, the Commission has already recognized IEU-Ohio's interest in Columbia's IRP, granting IEU-Ohio's request to intervene in Case No. 11-5515-GA-ALT.² IEU-Ohio has a real and substantial interest inasmuch as this

proceeding may directly or indirectly impact the provision of gas service to IEU-Ohio members' manufacturing facilities. Specifically, IEU-Ohio's direct interest in this proceeding is the result of the effect that this proceeding shall have upon the price, adequacy, and reliability of the gas supply and related services within Ohio.

Further, IEU-Ohio believes that its participation will not unduly prolong or delay this proceeding and that it will significantly contribute to the full development and equitable resolution of the factual and other issues in the proceeding because it has intervened and is familiar with the proceedings that preceded this application. Moreover, the interests of IEU-Ohio will not be adequately represented by other parties to the proceeding.

Accordingly, IEU-Ohio is entitled to intervene with the full powers and rights granted by the Commission, specifically by statute and by the provisions of the Ohio Administrative Code, to intervening parties.

Respectfully submitted,

/s/ Matthew R. Pritchard
