

THE PUBLIC UTILITIES COMMISSION OF OHIO

IN THE MATTER OF THE APPLICATION
OF CLEARVIEW ELECTRIC, INC.
D/B/A CLEARVIEW ENERGY FOR
CERTIFICATION AS A COMPETITIVE
RETAIL NATURAL GAS MARKETER.

CASE NO. 17-343-GA-CRS

ENTRY

Entered in the Journal on February 28, 2017

{¶ 1} On February 1, 2017, Clearview Electric, Inc. d/b/a Clearview Energy (Clearview) filed an application for certification as a competitive retail natural gas service (CRNGS) marketer. Clearview amended its application on February 8, 2017, and February 21, 2017.

{¶ 2} In accordance with R.C. 4929.20 and Ohio Adm.Code 4901:1-27-10, Clearview's application is subject to a 30-day automatic approval process. Ohio Adm.Code 4901:1-27-10 further provides that, upon good cause shown, the Commission or an attorney examiner may suspend consideration of a certificate application. If an application for certification is suspended, the Commission shall act to approve or deny the application within 90 days of the suspension.

{¶ 3} Staff has requested that the automatic approval process be suspended to allow Clearview additional time to provide information requested by Staff.

{¶ 4} The attorney examiner finds that good cause exists to suspend the 30-day automatic approval process with respect to Clearview's application for certification, in order that the Commission and Staff may review the matter further. Clearview should respond to Staff's data requests within 45 days of the issuance of this Entry or the Commission may deny the application.

{¶ 5} It is, therefore,

{¶ 6} ORDERED, That the automatic approval process for Clearview's application for certification as a CRNGS marketer be suspended until further ordered by the Commission. It is, further,

{¶ 7} ORDERED, That Clearview respond to Staff's data requests within 45 days of the issuance of this Entry. It is, further,

{¶ 8} ORDERED, That a copy of this Entry be served upon all parties of record.
