**MEMORANDUM IN SUPPORT**

---

OCC requests a subpoena, pursuant to Ohio Adm. Code 4901-1-25, to command Mr. Craig Jackson, the Chief Financial Officer of DP&L, to appear at hearing and provide oral testimony through cross-examination on April 3, 2017 at 10:00 a.m., and attend from day to day until called to testify by OCC at the Commission offices, 180 E. Broad Street, 11th Floor, Columbus, Ohio 43215 in the above-captioned proceeding.

The above-captioned case involves DP&L's request for approval of a six-year Electric Security Plan, which will cost customers hundreds of millions of dollars, Mr. Jackson should appear at the evidentiary hearing to provide testimony concerning his knowledge of DP&L's financial situation and the Distribution Modernization Rider. Mr. Jackson has twice previously filed testimony in this case and has been deposed on his previously filed testimony. As a witness and the Chief Financial Officer of DP&L, Mr. Jackson is in a unique position to explain in detail DP&L's current financial situation, the

DMR, the proposed ESP and the effect of the Amended Stipulation on DP&L. No other DP&L witness appears to have such knowledge and expertise.

Mr. Jackson should be required to attend the hearing and respond to questions pertaining to the subject matter of his previously filed testimony and deposition. Mr. Jackson's testimony will facilitate the development of a full and complete record, upon which the PUCO can base its decision. There is good cause to grant this motion for subpoena
