Re: Notification of ANPI Business, LLC Regarding the Planned Discontinuance of Residential Long Distance Services

Dear Sir or Madam:

On behalf of ANPI Business, LLC (the "Company") and pursuant to OAC 4601:1-6-25, this letter notifies the Commission of the Company's intention to discontinue all residential long distance services, including but not limited to 1+, MTS, and toll free services. Since some small businesses may receive residential long distance services, the discontinuance may also affect certain small businesses customers in addition to residential customers.

Description of the Company

The Company, a Delaware limited liability company, has its principal office at 2300 Berkshire Lane North, Suite 4, Minneapolis, Minnesota 55441. The Company provides wholesale and retail interexchange service throughout the U.S., and is authorized to provide competitive local exchange service in a limited number of states. In Ohio, the Company is authorized to provide local exchange and toll services pursuant to Revised Certificate No. 90-5980 granted in Case No. 13-0361-TP-CIO. The Company is also authorized by the FCC to provide interstate and international telecommunications services.

Description of the Service Affected

The Company intends to discontinue all residential long distance services, including but not limited to 1+, MTS and Toll Free services. Since some small businesses may receive the affected residential long distance product, the discontinuance may also affect certain small businesses customers. This discontinuance will affect approximately 97 customers in Ohio.

4901:1-6-07(G): The Company is discontinuing residential long distance services throughout the United States. While the Company otherwise complied with the requirements of subsection (G), the Company did not provide the Commission's toll-free and TTY-TDD telephone numbers because it used a single customer notice nationwide and including such information would be confusing to non-Ohio customer.

**NOTICE OF LONG DISTANCE SERVICES DISCONTINUANCE
DO NOT DISREGARD THIS NOTICE**

March 17, 2017

RE: Account #[Customer Acct # here]

Dear Customer:

We regret to inform you that ANPI Business, LLC will be discontinuing all residential long distance services (including such services provided to small businesses). As a result, your ANPI Business, LLC service(s), including intrastate, interstate and international long distance services, will be discontinued on or after June 1, 2017, subject to regulatory approval.

Please take action in selecting a new carrier as soon as possible to avoid any interruption of your long distance service. We urge you not to delay in arranging for a new long distance service provider, as some providers may require several days or weeks to initiate new services. To help avoid any lapses in service, please check carefully that all long distance services you currently receive from ANPI Business, LLC, along with any toll free numbers that are assigned to you, are moved to your new provider. If you are not certain of your options for obtaining replacement pre-subscribed long distance service, you should contact your local telephone service provider and ask which carriers are accepting pre-subscribed customers. You may also contact any of the service companies that provide service in your area. An Internet search for "long distance telephone service provider" in your area should provide you with several alternatives.

Please be aware that you are responsible for paying for all services provided to you by ANPI Business, LLC during the transition. You may be subject to suspension or termination of your long distance service in accordance with applicable contracts, tariffs, and rules if you fail to pay your long distance bills. **So that we stop sending you invoices, please let us know as soon as you have switched to a new long distance provider by sending an email to care@voyant.com.**

The Federal Communications Commission ("FCC") permits customers to object to discontinuance of their service by a telecommunications provider. As provided in the FCC's rule 47 CFR 63.71:

"The FCC will normally authorize this proposed discontinuance of service unless it is shown that customers would be unable to receive service or a reasonable substitute from another carrier or that the public convenience and necessity is otherwise adversely affected. If you wish to object, you should file your comments as soon as possible, but no later than 15 days after the Commission releases public notice of the proposed discontinuance. You may file your comments electronically through the FCC's Electronic Comment Filing System using the docket number established in the Commission's public notice for this proceeding, or you may address them to the Federal Communications Commission, Wireline Competition Bureau, Competition Policy Division, Washington, DC 20554, and include in your comments a reference to the §63.71 Application of ANPI Business LLC. Comments should include specific information about the impact of this proposed discontinuance upon you, including any inability to acquire reasonable substitute service."

ANPI Business, LLC is pleased to have had the opportunity to serve you, and remains committed to making your long distance service transition as smooth as possible. If you have any questions regarding our discontinuance of long distance services, please contact Customer Service at 1-800-262-9043.

Sincerely yours,
ANPI Business, LLC Customer Service
