Pursuant to R.C. 4906.08(A) and O.A.C. 4906-2-12(A)(1), the City of Reading ("City") hereby submits this Notice of Intervention as a party in the above case. The undersigned Mayor and Safety Service Director certify that they are the duly elected Mayor for the City and the chief executive officer of the City authorized to file this Notice.

A portion of the proposed Central Corridor Pipeline Extension Project ("Project") is located within the City incorporated limits. The City may also act with other jurisdictions that are similarly effected by this project to protect the common interests of the City and the entire region.

The City intends to express concerns with the effects of the Project upon the City, and its residents, organizations, and businesses. Given the nature of the Project as proposed, the City
