Re: 16-1871-EL-BGN Icebreaker Windpower

PUCO

Dear Members of the OPSB,

I am an apprentice with IBEW Local 38. I look forward to becoming an electrician with the opportunity to have a good paying job right here in my own backyard.

I am writing to ask you to support Icebreaker Wind's application for approval to move forward with its project to build six wind turbines in Lake Erie north of Cleveland. This project will open the door to thousands of new jobs and will allow me to stay close to home, raise my family and be part of building an exciting future for Northeast Ohio and the entire Great Lakes region.

Building a freshwater wind energy industry will help insure a strong economic future as well as producing cleaner air, healthier families and thousands of jobs for our region's future.

Sincerely,

*Jordan Vahcic*
