COMMENT DESCRIPTION:

AEP is trying to mandate a higher monthly service fee (AEP CASE NUMBER 16-1852-EL-SSO). I agree with many who have said this rate hike will be difficult for those on fixed incomes and those who live from pay check to pay check. I believe AEP has made poor decisions that have put them in this financial need. Therefor, AEP executives and stockholders should suffer these financial consequences NOT the customer!

COMMENT DESCRIPTION:

My comments are in regard to the proposed fixed rate increase, ref. 1852-EL-SSO In my opinion increase of the fixed fee in the amount of 119% by AEP is unreasonable. I would agree to a maximum of 25% per year and then only after an independent party certifies necessity of the increase.

COMMENT DESCRIPTION:

I am concerned about the proposed significant increase in the "customer charge" for electric service that I have been reading about in the local newspaper. I am 71 years old, receiving social security and working a minimum wage job part-time to just get by. I can't afford all the increases in utilities, health care and food. HELP.
