The Company, upon notification to the customer, will withdraw any listing which is found to be in violation of its rules with respect thereto.

In connection with non-residence service, a designation, i.e., an abbreviated descriptive term characterizing the listed party's business in a general way, may be furnished as part of the listing unless the character of the listed party's business is already apparent from the form of the corporate or time name, in which case the designation is unnecessary and is not furnished.
