Re: AEP: 16-1852-EL-550 4/18/17

To Whom It May Concern,

I am opposed to the proposals that would allow AEP (or any utility) to charge my raise a mandatory fee for power I am not using. I should not be punished by steep fixed rates. These fixed fees are also a huge burden on low and fixed income users.

As a single mom, I can't afford to add the proposed fixed increase to my monthly budget, especially when I work hard to be energy efficient and keep my usage costs down.

Thank you for your time, and I hope that you refuse this increase.
