Re: Public Information Meeting for Hillcrest Solar Farm

Dear [REDACTED]:

I am writing to let you know about a public information meeting scheduled for 6:00-8:00 p.m. on Tuesday, May 23, 2017, about a proposed solar energy project in your area. The meeting will be held at Countryside Inn & Suites, which is located at 100 Leininger Street, Mount Orab, Ohio, 45154. The meeting is open to the public and will provide information about the Hillcrest Solar Farm. Hillcrest Solar I, LLC, an affiliate of Open Road Renewables, LLC, is proposing to build the Hillcrest Solar Farm, which will be a 125-megawatt solar electric generating project about three miles north of Mount Orab.

Following the public information meeting, Hillcrest Solar I, LLC plans to file an application for a Certificate of Environmental Compatibility and Public Need for the project with the Ohio Power Siting Board ("OPSB"). The staff of the OPSB will then review and investigate the application and will issue a report with recommendations. An evidentiary hearing will be scheduled before an Administrative Law Judge and a local public hearing may also be scheduled. The OPSB then will issue a written decision. If you want to file a motion to intervene or file comments in this proceeding, you may do so by sending them to the OPSB at its address below and referencing OPSB Case No. 17-1152-EL-BGN. If you would like to contact the OPSB about this process, you may reach its staff at the following contact information:

The Ohio Power Siting Board
180 East Broad Street
Columbus, Ohio 43215

Please call me at (203) 246-8181 or email me at doug@openroadrenewables.com with any questions about the public information meeting or the Hillcrest Solar Farm.

Very truly yours,

Doug Herling
