Docketing Case No.: 16-1852-EL-SSO

Notes:

Please docket the attached in the case number above.

I am a customer of AEP Ohio and Duke Energy. I understand these two utilities, among others, intend to raise customer fixed charges as a hedge against falling revenues. Customers must not bear the financial burden of these utilities' loss of revenue from their old, inefficient, polluting fossil fuel power plants. Therefore, I call on the PUCO to disapprove this fixed rate increase plan given it is intended solely to boost company profits. Thank you.
