### ENTRY

Entered in the Journal on May 17, 2017

#### I. SUMMARY

{¶ 1} The Commission directs Staff to issue the request for proposal for audit services to assist the Commission with the review of the compliance of FirstEnergy with the Corporate Separation Rules adopted by the Commission.

#### II. DISCUSSION

{¶ 2} Ohio Edison Company, The Cleveland Electric Illuminating Company, and The Toledo Edison Company (collectively, FirstEnergy or the Companies) are electric distribution utilities, as defined by R.C. 4928.01(A)(6), and public utilities, as defined in R.C. 4905.02, and, as such, are subject to the jurisdiction of this Commission.

{¶ 3} On December 12, 2012, the Commission issued an Entry initiating an investigation into the health, strength, and vitality of Ohio's competitive retail electric service (CRES) market. *In re the Commission's Investigation of Ohio's Retail Electric Service Market*, Case No. 12-3151-EL-COI (*CRES Market Investigation Case*). The investigation was intended to establish actions that the Commission can take to enhance the health, strength, and vitality of the market. In the Entry initiating the investigation, the Commission presented a series of questions to stakeholders regarding market design and corporate separation as they impact the CRES market.

{¶ 4} On March 26, 2014, the Commission issued its Finding and Order in the *CRES Market Investigation Case*, adopting, in part, Staff's recommendations, with modifications. The

Commission, in adopting one such recommendation, directed that each of the Ohio electric distribution utilities would be subject to an audit to ensure their compliance with R.C. 4928.17 and the Commission's corporate separation rules, as enumerated in Ohio Adm.Code Chapter 4901:1-37, as well as to further Ohio's policies pursuant to R.C. 4928.02. *CRES Market Investigation Case*, Finding and Order (Mar. 26, 2014) at 16-17. According to Staff's recommended audit schedule, FirstEnergy will be the first electric distribution utility to undergo the prescribed audit.

{¶ 5} At this time, the Commission directs Staff to issue the attached request for proposal (RFP) to acquire audit services to assist the Commission with the review of the compliance of FirstEnergy with the corporate separation rules set forth in Ohio Adm.Code Chapter 4901:1-37. All proposals submitted pursuant to the RFP are due by June 9th, 2017. In order to demonstrate the ability to perform the services required in the RFP, the proposal must show, in detail, the auditor's understanding of the project and the work required. Each proposal must address, with specificity, how the auditor will handle all of the issues in the RFP. The auditor must demonstrate that it will be able to perform the required services, showing its clear understanding of the tasks to be completed, the experience and qualifications of the personnel who will perform the work, and the anticipated breakdown of costs and timing. The selection criteria to be used by the Commission to determine the selection of the auditor shall be the technical and management capabilities of each firm, as well as the overall cost of each bid.

{¶ 6} FirstEnergy shall directly contract with the auditor chosen by the Commission and bear the costs of the audit services solicited in the RFP.

{¶ 7} The Commission shall select and solely direct the work of the auditor. Staff will review and approve payment invoices submitted by the auditor.

{¶ 8} The auditor shall perform its audit and investigation as an independent contractor. Any conclusions, results, or recommendations formulated by the auditor may be examined by any participant to this proceeding. Further, it shall be understood that the

Commission and/or its Staff shall not be liable for any acts committed by the auditor or its agents in the preparation and presentation of the report.

{¶ 9} The auditor will execute its duties pursuant to the Commission's statutory authority to investigate and acquire records, contracts, reports, and other documentation under R.C. 4903.02, 4903.03, 4905.06, 4905.15, and 4905.16. The auditor is subject to the Commission's statutory duty under R.C. 4901.16, which provides:

Except in his report to the public utilities commission or when called on to testify in any court or proceeding of the public utilities commission, no employee or agent referred to in section 4905.13 of the Revised Code shall divulge any information acquired by him in respect to the transaction, property, or business of any public utility, while acting or claiming to act as such employee or agent. Whoever violates this section shall be disqualified from acting as agent, or acting in any other capacity under the appointment or employment of the commission.

{¶ 10} Once disclosure is permitted by R.C. 4901.16, the following process applies to the release of any document or information marked as confidential. Three days' prior notice of intent to disclose shall be provided to the party claiming confidentiality. Three days after such notice, Staff or the auditor may disclose or otherwise make use of such documents or information for any lawful purpose, unless the Commission receives a request for a protective order pertaining to such documents or information within the three-day notice period. The three-day notice period will be computed according to Ohio Adm.Code 4901-1-07.

{¶ 11} Upon request of the auditor or Staff, FirstEnergy shall provide any and all documents or information requested. FirstEnergy may conspicuously mark such documents or information as "confidential" if FirstEnergy believes the documents should be deemed as such. In no event, however, shall FirstEnergy refuse or delay in providing such documents or information.

**III. ORDER**

{¶ 12} It is, therefore,

{¶ 13} ORDERED, That Staff issue the RFP attached to this Entry and that June 9, 2017, be set as the due date for proposals in response to the RFP. It is, further,

{¶ 14} ORDERED, That, in accordance with Paragraph 6, FirstEnergy bear the cost of the audit services of the contractor chosen by the Commission. It is, further,

{¶ 15} ORDERED, That FirstEnergy and the contractor shall observe the requirements set forth herein. It is, further,

{¶ 16} ORDERED, That a copy of this Entry be served upon all parties of record.

## **I. INTRODUCTION**

On March 26, 2014, the Commission issued a Finding and Order in Case No. 12-3151-EL-COI, directing that each electric distribution utility be subject to a corporate separation compliance audit, specifically to ensure compliance with R.C. 4928.17 and the Corporate Separation Rules, as enumerated in Ohio Adm.Code Sections 4901:1-37-04(D)(3), 4901:1-37-04(D)(6), 4901:1-37-04(D)(10)(c), 4901:1-37-04(D)(11) and 4901:1-37-08(C), and to foster Ohio's policies pursuant to R.C. 4928.02. *In the Matter of the Commission's Investigation of Ohio's Retail Electric Service Market*, Case No. 12-3151-EL-COI, Finding and Order (Mar. 26, 2014) at 16-17. The Commission noted that these audits would either be conducted by Staff or by an independent third party auditor selected by the Commission and under the direction of Staff. Additionally, the Commission stated that the recovery of the cost of the audit would be treated as a normal operating expense by the electric distribution utility.

Further it shall be understood that the Commission and/or its Staff shall not be liable for any acts committed by the auditor or its agents in the preparation and presentation of the audit reports.

**C. PUCO STAFF SUPERVISION**

The PUCO Staff will oversee the project. Staff personnel shall be informed of all correspondence between the auditor selected and the Companies, and shall be given at least three working days' notice of all meetings and interviews with the Companies to allow Staff the opportunity to attend. The auditor shall meet with PUCO Staff no less than once a week through the duration of the audit. These meetings may occur via telephone.

**D. COST OF AUDIT AND QUOTATION OF CHARGES**

The proposed cost of the audit shall include all expenses associated with conducting the audit and presenting the findings and recommendations in the audit report. #### **IV. TIMELINE**

The Companies may conspicuously mark such documents or information as being “confidential.” In no event, however, shall the company refuse or delay to provide such documents or information.

The Staff or the auditor selected shall not publicly disclose any document marked “confidential” by the Companies, except upon three days prior notice of intent to disclose served upon the Companies’ counsel. Three days after such notice, the Staff or auditor may disclose or otherwise make use of such documents or information for any purpose, unless the Companies move the Commission for a protective order pertaining to such documents or information within the three-day notice period.

The three-day notice period will be computed according to Ohio Adm.Code 4901-1-07. Service shall be complete upon mailing or delivery in person.

PUCO Staff. The invoices shall include details regarding the dates and activities covered by each invoice, and shall be sufficiently detailed to allow Staff to identify the work completed, the personnel involved, and the corresponding charges in relation to the activity schedule originally set forth in the auditor's proposal. All invoices are to be sent to the Companies and copies are to be sent to the PUCO Staff.

After approval of the invoice by the PUCO Staff, the Companies will be authorized to make payment.

The Companies shall be ordered by the Commission to enter into a contract, which shall incorporate by reference all provisions of this proposal, with the auditor chosen by the Commission to perform the audit. Auditors shall submit a copy of this contract agreement between the auditor and Companies to the Staff member assigned to the audit.

In addition to the monthly status consultations with the PUCO Staff, at the midpoint of the audit activities, the auditor selected will provide a written progress report to Staff. These reports will briefly describe progress made on required audit activities, as well as initial/tentative findings and conclusions on issues investigated to date.

An electronic copy may be sent but it shall not replace the requirement for four hard copies to be submitted to the PUCO Staff.

E. FINAL REPORT

Five copies of the final audit report plus one reproducible original shall be delivered to the Commission by the morning of the date specified in Section IV. The final report should include an executive summary of recommendations. The final docketed report should also contain an overview of the investigation and, if applicable, specific recommended corrective actions. Along with the paper copies of the audit report, the auditor shall submit to Staff a USB flash drive containing a complete version of the final audit report. If it is necessary to prepare a redacted report, due to confidentiality

concerns, two copies of a non-redacted report shall also be provided to both the Commission and the Companies. The non-redacted report shall clearly be labeled "confidential."

**F. WORKING PAPERS**

A complete set of working papers is an integral part of the audit requirements. With the final audit report, the auditor selected shall deliver to the PUCO Staff one complete set of working papers that contain documents used and procedures followed to develop the conclusions set forth in the audit report. These documents may be provided on a flash drive. Working papers should include Applicant's name, case number, description (items in folder), and source documents. Voluminous documents may be included only as references in the working papers, upon Staff's agreement. Confidential documents should be clearly marked and provided in a separate section of the working papers.

The auditor selected shall maintain working papers and document all supporting information, including, with limitation, meetings, interviews, or any pertinent information. The auditor selected shall utilize Staff's data request procedures, utilizing a Microsoft Outlook Public Folder or similar system accessible to and approved by Staff, for issuing information requests and recording responses.

(All such subcontractors indicated in the proposal will be acknowledged as accepted by the Commission upon selection of the proposal for contract awarded unless the auditor is previously notified of the contrary. No addition, deletion, or substitution of subcontractors will be permitted during the course of the contract unless approved in advance by the PUCO Staff in writing.) If subcontractors are proposed, all information required in this section shall be supplied for each subcontractor proposed. Auditors maintaining any present ongoing contracts or agreements with the Companies and affiliates may, at the discretion of the PUCO, be disqualified by reason of possible conflict of interest. In the proposal, such contracts should be described in sufficient detail that the PUCO can determine whether a conflict of interest exists. A response indicating that this information will be provided on request or that such contracts are too numerous to enumerate will be cause for disqualification of the auditor.
- G. A listing of all the auditor's and each subcontractor's offices, facilities, and equipment to be used in performance under this contract and their locations including a specification of offices, facilities, and equipment located in Ohio. If none, indicate, "None."

Contract terms will not permit substitution of lead personnel without prior written approval of the Commission. Identification of lead personnel in the cost proposal will not constitute satisfactory compliance with this requirement.
- L. A description of the qualifications, experience, and proven results achieved by all professional lead or significant personnel to be employed on the project, with a summary of work performed on projects similar to the one contemplated by this RFP including specific references. The Commission reserves the right to request samples of prior relevant work from any auditor prior to making its final consultant selection.
- M. Identification by name and title and the hourly rate of pay and all other related costs of the individual or individuals who will present expert testimony before the Commission during the appropriate hearing.

## **VII. REVIEW CRITERIA**

Proposals will be evaluated on a basis which includes the following criteria:

### **A. COMPLIANCE WITH MINIMUM CONTENTS REQUIREMENTS**

Lack of satisfactory response to the Minimum Contents Requirements will be grounds for elimination of any proposal from further consideration.

### **B. COST**

The total proposed contract price is not specified in the Proposal. Auditors are encouraged to provide as competitive a bid as is practicable.

### **C. UNDERSTANDING OF PROJECT**

Whether the entity bidding on the project has grasped intent of the project; is knowledgeable of the technical aspects required; indicates understanding of potential problems; demonstrates understanding of regulatory issues, trends, and perspectives;

and the work plan indicates appropriate phasing. Whether the method of handling the project is indicated, the proposal reflects thorough understanding of project requirements, the methods appear realistic under stated time constraints, and innovative methodologies appear appropriate to the project. The proposal is responsive to the RFP.

**D. EXPERIENCE OF PERSONNEL ASSIGNED TO PROJECT AND RELATED ORGANIZATIONAL EXPERIENCE**

Relevant experience in field, qualified to undertake assignment. References of previous clients/projects provided.

**E. TIMELINES**

Demonstrated ability to meet stated deadline; realistic timelines provided; demonstrated proven results of lead personnel.

**VIII. OTHER PROPOSAL CRITERIA**

**A. RELEVANCE**

The auditor shall include only relevant information and pertinent exhibits in the proposal. Duplication of materials provided in the RFP, exhaustive resumes, inclusion of standard promotional materials, etc. will not garner additional points in the evaluation process and may detract from the clarity and conciseness of the proposal.

**B. PROPRIETARY DATA IN PROPOSAL**

Submissions to the Public Utilities Commission of Ohio become public documents available to open inspection. Proprietary data in a proposal will also assume this status. Therefore, discretionary action is recommended for any proprietary data to be submitted in proposals.

**C. DUE DATE AND SUBMITTAL ADDRESS**

Any proposal submitted hereunder must be received at the following address no later than 5:00 P.M. June 9, 2017. The proposal should be sent in a sealed container, clearly marked and addressed to:

Jim Zell  
Response to RFP No. RA17-CA-2  
The Public Utilities Commission of Ohio  
3<sup>rd</sup> Floor, 180 East Broad Street  
Columbus, OH 43215-3793

An electronic copy may also be sent to [james.zell@puco.ohio.gov](mailto:james.zell@puco.ohio.gov). Such electronic copy shall not fulfill the requirement for submitting paper responses.

Note: By responding to this request for proposal, the proposer expressly accepts and is bound by all the terms thereof including all attachments, exhibits, and schedules.

D. COPIES

Five copies of the proposal are to be submitted to the Commission.

E. CONTRACTOR REQUIREMENTS AND MINORITY PARTICIPATION

The PUCO, in awarding the contract, will give preference to Ohio contractors. Ohio contractors include not only established domestic companies actively doing business in Ohio but also encompass multi-state companies with headquarters outside of Ohio but with substantial commitments of offices, divisions, and facilities within the state. The Commission will give preference to proposals that demonstrate compliance with minority and women EEO criteria.

F. LATE PROPOSALS

A proposal is late if received at any time after the due date set for receipt of the proposals. A late proposal will be considered along with other proposals only if it is received before the evaluation of proposals has, in the sole opinion of the Commission, substantially progressed, and then only if one of the three following conditions exists:

1. Mail delay – The lateness is due solely to a delay in the mail when the response has been sent by registered or certified mail for which an official dated postmark on the original receipt has been obtained.
2. Commission error – If it is received by a reasonable means at the Commission in sufficient time to be delivered at the office designated for the opening and would have been received at such office except the delay due to mishandling at the Commission. Only an appropriate date or item stamp showing the time of the receipt will be accepted as evidence of timely receipt of the proposal.

3. Exceptions – Any other late proposal will not be considered, unless it is the only proposal received or in the sole judgment of the Commission it offers some important technical or scientific advantage that is of benefit to the Commission.

**G. MODIFICATION OR WITHDRAWAL OF PROPOSAL**

Any proposal may be modified or withdrawn upon written request of the auditor if such request is received by the Commission at the above address by the date set for receipt of original proposals.

**H. MODIFICATION OR WITHDRAWAL OF THIS RFP**

This Request for Proposal may be modified or withdrawn at any time prior to the time set for receipt of proposals and thereafter as long as no proposal has been opened. Upon any such modification or withdrawal, all bidders will be notified and any person or firm who has expressly requested such notice in writing will also be notified of such changes at the discretion of the Commission.

**I. RIGHT TO REJECT ANY AND ALL PROPOSALS**

The Commission reserves the right, without limitation or discussion with those submitting proposals, to reject any and all proposals.

**J. PENALTY FOR DIVULGING INFORMATION**

The auditor selected shall abide by all provisions of Sections 4901.16 of the Ohio Revised Code which states; "Except in his report to the public utilities commission or when called on to testify in any court or proceeding of the public utilities commission, no employee or agent referred to in section 4905.13 of the Revised Code shall divulge any information acquired by him in respect to the transaction, property, or business of any public utility, while acting or claiming to act as such employee or agent. Whoever violates this section shall be disqualified from acting as agent, or acting in any other capacity under the appointment or employment of the commission"

The auditor shall not divulge any information regarding its audit activities to the media or to any other entity, except in its report and testimony before the Commission, before, during, and/or after the audit. All comments or concerns that the auditor wants to address shall be directed to the PUCO Media Office.
