PUCO

Dear PUC,

I live in Mentor, Ohio in Lake County. I am against any First Energy Charge increases to my monthly bill. This request is part of **case number 17-0334-EL-ATA**.

We are retired and on a fixed income. Any increase in the cost of electricity would be a burden on our family.

Please do not allow First Energy to make these adjustments to our monthly bill.

Sincerely,

William S. Hornung
