Subject: Search Energy LLC (15-1057-EL-AGG) Ohio Renewal application

Mr. Barnes – I have been assigned to review the A and B exhibits of this application here at the Public Utilities Commission of Ohio. Someone else may contact you with questions or comments about your C exhibits. During review I have noted an issue that needs to be addressed in order to bring this application into compliance with Ohio laws.

- The application form is not signed or notarized.

Please correct these items and file the updated information along with a cover letter stating that you are making a revision in Case No. 15-1057-EL-AGG by Wednesday, June 14, 2017. You do not need to submit the entire application again, only those sections that are being revised. Again, keep in mind that you may receive a separate request for information from the staff member reviewing your financial exhibits and that person may give you a different deadline for those requirements. If you have any questions, please feel free to contact me.
