RE: CASE 17-0334-EL-~~ATA~~

PLEASE, PLEASE DO NOT ALLOW OHIO
EDISON TO INCREASE "CUSTOMER CHARGE"
FIXED FEE.

I AM A WIDOW ON SOCIAL SECURITY + I
CANNOT AFFORD THIS VERY UNFAIR INCREASE.

I WILL NOT BE ABLE TO CONTROL MY BUDGET
BY DOING WITHOUT SOME ELEC. SINCE THIS IS FIXED.

ALSO, TRUMP JUST PULLED OUT OF PARIS
CLIMATE CONTROL + HAS PREDICTED COAL
COSTS WILL GO DOWN. WHEN THAT HAPPENS,
CERTAINLY OHIO EDISON WILL NOT REDUCE
THE "CUSTOMER CHARGE" THEY WILL JUST KEEP
THE EXTRA PROFITS.

PLEASE DO NOT ALLOW THIS TO HAPPEN

SANDRA VEST

Dear Public Utilities Commission

I am writing to
voice opposition to fixed
rate charges for Ohio residential
customers. These rate charges
do not encourage more efficient
energy use as they are
a fixed fee. We need to
continue research and use
of alternative energy sources,
not return to burning coal. This
is in reference to Case
number 17-0334-EL-ATA

Thank you for
your consideration
