Dear Sample Customer,

In November 2015, Sandy Township voters authorized the creation of a natural gas aggregation program. Your community has selected Constellation NewEnergy-Gas Division, LLC (“Constellation”) as the preferred supplier. Constellation will provide a 12 month program that offers a fixed rate of \$3.45 per Mcf beginning with your August 2017 meter read cycle (or first available meter read thereafter) through your July 2018 meter read cycle. This program has the option to receive a Variable Price (NYMEX last day settlement price for the applicable month plus an adder of \$0.158/Mcf). You must contact Constellation to request the Variable Price option.

**You’re Automatically Enrolled**

There is no cost to enroll. Enrollment is automatic for those who are eligible, but participation is voluntary. You may opt-out of this program without penalty at any time for any reason by providing notice to Constellation. Please see the enclosed terms and conditions for full details of the program.

**How To Opt-Out**

If you do not want to be automatically enrolled in the aggregation program, please respond with one of the options below by July 17, 2017:

## Natural Gas Aggregation Opt-Out Frequently Asked Questions

**Q: What is aggregation?**

**A:** Under governmental aggregation, local officials bring the community together for group purchasing power. The community benefits by receiving competitively-priced natural gas from a retail natural gas supplier certified by the Public Utilities Commission of Ohio.

**Q: How is my community able to choose a certified natural gas supplier on my behalf?**

**A:** Residents voted to allow the community to negotiate a contract with a natural gas supplier on their behalf.

**Q: How do I enroll?**

**A:** Eligible residential or small business customers will be automatically enrolled.

**Q: Who is eligible for the aggregation program?**

**A:** Most residential and small business customers residing within the community receiving natural gas from the local utility are eligible (local utilities include: Dominion East Ohio Gas, Columbia Gas of Ohio, Vectren Energy Delivery of Ohio, and Duke Energy Ohio).

**Q: Who is not eligible?**

**A:** Residential and business customers who are not eligible for automatic enrollment in the program include:

- A customer that is not located within community boundaries.
- Percentage of Income Payment Program (PIPP) customers.
- A customer who is under contract with another natural gas provider.
- A customer who has a special contract with the natural gas utility company.
- Customers who are behind on their payments to the utility.
- A mercantile customer that has not provided consent to join the program. "Mercantile customer" means a commercial or industrial customer if the natural gas consumed is for non-residential use and the customer consumes more than 500 Mcf per year or is part of a national account involving multiple facilities in one or more states.

**Q: Does it cost to enroll?**

**A:** No. Constellation does not charge any enrollment or switching fees.

**Q: When will I see my new rate?**

**A:** You can expect to see the new rate one to two billing cycles following your enrollment in the program. Please note: supply rates do not include taxes, delivery service charges or other utility fees.

**Q: Who will bill me for natural gas?**

**A:** You will continue to receive one monthly bill from your local utility.

**Q: Can I still have my payment automatically deducted from my checking account as I do now?**

**A:** Yes, how you pay your natural gas bill will not change.

**Q: Who is responsible for delivery of natural gas to my home or business?**

**A:** Your local utility company will continue to deliver natural gas to your home or business.

**Q: Who do I call if I have a problem with my natural gas service?**

**A:** To report service problems, a gas leak and for billing questions, contact your local utility company.

**Q: What if I have already selected another supplier?**

**A:** Based on the records provided by the utility, we assumed you are not with another supplier. However, if you recently signed up with a new supplier, carefully review the terms and conditions of that agreement before proceeding as your ability to terminate early with that supplier may be restricted.

**Q: Is there an early termination fee for leaving the program outside of the 21 day opt-out period?**

**A:** No, there is no early termination fee.

**Q: Who do I contact if I have additional questions about this offer?**

**A:** If you have additional questions about the program, please contact Constellation.
