HOW TO PAY YOUR BILL

Pay online, by phone, by mail or at any Authorized Payment Location. Paying by check authorizes Frontier to make a one-time electronic funds transfer from your account, which could be transacted as early as the day your check is received. You can also set up recurring electronic payments to streamline your bill payment. Visit Frontier.com for payment locations and more information.

PAST DUE BALANCE

You are responsible for all legitimate, undisputed charges on your bill. If your payments are not made on time, your service may be interrupted and you may have to pay a reconnection charge to restore service. Continued nonpayment of undisputed charges (incl. 900 and long distance charges) may result in collection action and a referral to credit reporting agencies, which may affect your credit rating.

LATE PAYMENT and RETURNED CHECK FEES

A fee may be charged for payments received after the due date or for a check that is returned by the bank for any reason.

IMPORTANT CONSUMER MESSAGES

- This bill may contain charges for additional services purchased from companies other than Frontier. Such charges appear in a separate section of this bill along with the name of the service provider. Be certain that you are only being charged for services you authorized. You can call Frontier or the service provider's representative at the toll-free numbers provided in this bill with any questions about charges. You do not have to pay Frontier for disputed third party charges and Frontier will not pursue collections or adverse credit reports for such charges. If you want only charges from Frontier on your bill, call us to ask for a block on your account at no charge to you.
- Frontier periodically audits its bills to ensure accuracy which may result in a retroactive or future billing adjustment.
- You should contact Frontier first if you have any questions or complaints. If your complaint is not resolved after you have called Frontier, or for general utility information, residential and business customers may contact the Public Utilities Commission of Ohio (PUCO) for assistance at 1-800-686-7826 (toll free) from 8:00 am-5:00 pm weekdays, or at www.puco.ohio.gov. Hearing or speech impaired customers may contact the PUCO via 7-1-1 (Ohio Relay Service). The Ohio Consumers' Counsel (OCC) represents residential utility customers in matters before the PUCO.
