Ms. Mastorides,

I am currently reviewing your renewal application for natural gas broker certification in Ohio and found two incomplete sections in the application. My review is limited to Sections A, B & D of the application while Section C is reviewed by other staff. Staff reviewing the other section may contact you if the information provided does not satisfy the application certification requirements.

The first incomplete section is the affidavit on page 7 of the application. The day and month boxes are incomplete – please complete the information in these boxes. The second issue is you did not include an Ohio Secretary of State registration for your trade name of North American Energy Advisory. The incomplete exhibits should be provided as soon as possible. Please send the revised pages directly to the docketing division (not to me) along with a brief cover letter explaining the filing. Please include your case number, 15-1250-GA-AGG on all documents sent to docketing.

Thank You,

**Bill Haiker**
