Re: Case No. 16-1871-EL-BGN, Icebreaker Windpower Inc.

**Erratum to the July 20, 2017 Response to the Chairman's April 3, 2017
Letter and Second Supplement to the Application.**

Dear Ms. McNeal:

On July 20, 2017, Icebreaker Windpower, Inc. ("Applicant") filed a response to the Chairman's April 3, 2017 letter and second supplement to its application before the Ohio Power Siting Board ("OPSB") for a certificate of public convenience and necessity, which was initially filed on February 1, 2017, and supplemented on March 13, 2017.

The original of the July 20, 2017 response and second supplement was filed with the OPSB electronically. Upon review of the document, as filed, it was discovered that page 7 of the Avian and Bat Memorandum of Understanding ("MOU") was inadvertently not included. Page 7 of the Avian and Bat MOU contains the contact information for the parties to the MOU and other agencies. Therefore, the Applicant hereby submits this erratum to correct the omission, and attaches herein page 7 for inclusion in the Avian and Bat MOU filed on July 20, 2017.

We are available, at your convenience, to answer any questions you may have.

Respectfully submitted,

/s/ Christine M.T. Pirik
