Columbus OH 43215-3793

Dear Ms. Jenkins:

Re: Village of Elmore; Case No. 04-0564-GA-GAG

Please find enclosed for filing in the above-referenced docket the final opt-out notices for existing residential customers and small commercial natural gas customers (who fit into the definition of non-mercantile customer under the Ohio Administrative Code of 500 MCF per year or less). Pursuant to OAC § 4901:1-28-04(F): the affected community is named above; the utility service territory is Columbia Gas of Ohio; the competitive retail electric supplier is Interstate Gas Supply, Inc.; and the opt-out notice is currently scheduled for mailing on or about August 7, 2017. The opt-out period is scheduled to end no later than August 28, 2017. The final text of the opt-out notices is enclosed.

If you have any questions regarding these filings please do not hesitate to contact me.

Thank you.

Very truly yours,

/s/ Matt White

Dear Resident or Small Business Owner:

The Village of Elmore has selected IGS Energy of Dublin, Ohio as the supplier of natural gas to participants in its Natural Gas Aggregation Program. You are eligible to participate with other residents and small businesses in the Village. You will automatically be enrolled in the Village of Elmore Natural Gas Aggregation Program unless you notify IGS Energy that you do not wish to participate.

Under governmental aggregation, the Village of Elmore acts on behalf of natural gas consumers in the Village to negotiate a gas supply contract with eligible suppliers. Both the Village of Elmore and IGS Energy must be certified by the Public Utilities Commission of Ohio. The Village of Elmore voters approved the implementation of the program and Village Council Members approved the ordinance on August 11, 2003. Your participation in the aggregation program for the Village of Elmore will begin within one or two billing periods after enrollment with Columbia Gas of Ohio (Columbia) and end with your March 2018 billing period.

Your new price under the Village of Elmore Natural Gas Aggregation Program will be **\$0.51 per CCF** through your March 2018 billing period. There is no charge to sign up and no charge to cancel. Please refer to the attached Terms and Conditions for full details of this offer.

You will be automatically enrolled in the Village of Elmore Natural Gas Aggregation Program unless you choose to “opt out” – that is, to not participate. There is no cost for enrollment and you do not need to do anything to be included.

If you want to be excluded from the Village of Elmore Natural Gas Aggregation Program you must return the enclosed “Opt-Out” form or contact IGS Energy at 1-877-353-0162 by August 28, 2017. If you do not opt out at this time, you will be enrolled in the program until it expires with your March 2018 billing period. If you do nothing you will soon receive a letter from Columbia notifying you of your transfer to your community’s new program with IGS Energy as your supplier. **If you wish to remain in the program, simply ignore that letter.**

Under this program IGS Energy will deliver your gas to Columbia and then Columbia will deliver that gas to you. Columbia will maintain the pipeline system that delivers natural gas to your home or business. Columbia will continue to read your meter and will continue to send you a monthly bill that will include the gas supply charge from IGS Energy. You will still contact Columbia regarding loss of gas service, odor of gas, or for any other concerns or issues having to do with your local service. Budget billing and automatic billing options will continue to be available through Columbia.

If you have any questions please call IGS Energy at 1-877-353-0162, weekdays, from 8:00 a.m. to 8:00 p.m. EST. For general information on natural gas deregulation in Ohio, you can also visit the Web Sites of the Ohio Consumers’ Counsel (www.occ.org) or the Public Utilities Commission of Ohio (www.PUCO.ohio.gov).

Sincerely,

The Village of Elmore and IGS Energy

*P.S. Remember to return the “Opt-Out” form only if you do **not** want to participate in the Village of Elmore Natural Gas Aggregation Program.*

If the home or small business for which you have received this letter is not located within the Village of Elmore, you have received this letter in error. Please contact IGS Energy at 1-877-353-0162 to be removed from the aggregation list.

You are not eligible to participate in this program if you are currently enrolled in the PIPP program. If you are already under contract with a competitive retail natural gas service provider, you may incur a contract termination fee or other charges if you fail to opt-out of the aggregation program.

15 digit account number as it appears on your Columbia Gas of Ohio gas bill.

I wish to opt out of the Village of Elmore Natural Gas Aggregation Program.
