Columbus, OH 43215

**Re: Case No. 13-197-EL-BGN, Trishe Wind Ohio, LLC
Notification of Compliance with Condition 15 – Herbicide Use**

Dear Ms. McNeal:

Trishe Wind Ohio, LLC (“Applicant”) is certified to construct a wind-powered electric generation facility in Paulding County, Ohio (“Project”), in accordance with the December 16, 2013 Opinion, Order, and Certificate (“Certificate”) issued by the Ohio Power Siting Board (“OPSB”). The Certificate is subject to the 40 conditions set forth in the December 16, 2013 Order, as well as the 26 conditions set forth in the October 1, 2013 Supplement to the original application (“Supplement”).

Condition 6 of the Supplement requires the Applicant to submit a plan to OPSB staff for review and acceptance, describing planned herbicide use for all areas in or near any surface waters during construction and/or future right-of-way maintenance. The Applicant is providing this letter to notify the OPSB that the Applicant will not be using any herbicides during construction and/or future right-of-way maintenance for this phase of the Project. Accordingly, Condition 6 of the Supplement is inapplicable, at this time.

We are available, at your convenience, to answer any questions you may have.

Respectfully submitted,

/s/ William V. Vorys
