NOTICE OF PROPOSED MAJOR UTILITY FACILITY

AEP Ohio Transmission Company Inc., (AEP Ohio Transco), an affiliate of AEP Ohio, proposes to build a 138-kilovolt (kV) transmission line in Brown Township in Carroll County. The project is known as the Tidd-Wagenhals 138 kV Transmission Line Extension.

The purpose of the project is to improve the electric transmission and distribution power grid in northeast Ohio. AEP Ohio Transco will build the line within the existing right-of-way. AEP Ohio Transco will build the new line using single pole, steel structures. The Tidd-Wagenhals transmission line extension is less than a half-mile long. This project will be an approximate \$1 million investment by AEP Ohio Transco. Construction is scheduled to begin in fall 2017.

AEP Ohio filed a Letter of Notification with the Ohio Power Siting Board (OPSB), under Case No. 17-0811-EL-BLN. This number should be included in all communications related to this project. The Letter of Notification to construct, operate and maintain this facility is pending before the OPSB.

Petitions to intervene in the Letter of Notification will be accepted by the OPSB up to 10 days following the publication date of this notice as required by Rule 4906-2-12, Ohio Administrative Code. Petitions should be addressed to Ohio Power Siting Board, 180 East Broad Street, Columbus, Ohio, 43215-3793 and must cite Case No. 17-0811-EL-BLN.

The accompanying map depicts the project area. It should be noted that due to the reduced scale and limited detail, this map should be used only as a general guide. Copies of the actual Letter of Notification, including specific details about the location and construction are available for public inspection at the following locations:
