EXHIBIT E

Description of and Rationale for the Involved Transaction Including Public Interest Considerations

Pursuant to section 4901:1-6-29 of the Commission's rules, this Application seeks the consent of the Public Utilities Commission of Ohio ("Commission") for The Ayersville Telephone Company and its long distance division, Ayersville LD (collectively, "Assignee") to acquire portions of the retail, domestic customer base of Bright Long Distance, Ltd. ("BLD", a wholly-owned subsidiary of Com Net, Inc. ("CNI"), collectively "Assignors", and collectively with Assignee, the "Applicants").

I. PARTIES INVOLVED IN THE TRANSACTION

Assignee is a local exchange carrier organized in the State of Ohio with offices located at 27932 Watson Rd., Defiance, Ohio 43512, and is authorized by the Commission to provide telecommunications services in the State of Ohio (Case No. 90-5005-TP-TRF). Ayersville LD is a newly-formed division of Assignee that was established as a trade name solely for its long distance resale operations (Case No. 17-1333-TP-ACN).

BLD is a single-member Ohio limited liability company with CNI as the sole member. Both BLD and CNI have offices located at 13888 County Road 25A, Wapakoneta, OH 45895. BLD is authorized by the Commission to provide resale long distance telecommunications services in the State of Ohio (Case No. 90-5794-CT-TRF and Case No. 97-1656-CT-ACE).

II. DESCRIPTION OF THE TRANSACTION

Currently, BLD provides domestic and international long distance resale service in Assignee's service area through a bill and collect agreement with Assignee. Assignee performs the billing, collection and customer interface on behalf of BLD. The proposed transaction would

assign portions of the retail, intrastate domestic customer base of BLD ("Customers") to Assignee. The Customers involved are those located in the service area of Assignee. The assets being acquired by Assignee do not include any certifications and only retail, domestic intrastate long distance customers of BLD are involved in the transfer. BLD will continue to provide international long distance service through the bill and collect agreement with Assignee. Assignee already holds blanket authority under section 214 of the Telecommunications Act and section 63.01 of the FCC's rules (47 C.F.R. §63.01) to provide domestic, interstate telecommunications services, and authority to provide intrastate telecommunications services as cited in Section I.

Assignee is also a party to a similar application for the transfer of interstate domestic Customers that is pending before the FCC in WC Docket No. 17-213.

III. RATIONALE AND PUBLIC INTEREST CONSIDERATIONS

The proposed transaction will serve the public interest, convenience and necessity by ensuring the continued availability of quality telecommunications services at affordable rates for the businesses and residents of the area served by the Assignee. The ability for Assignee to offer domestic long distance services to Customers that are tailored to their specific service area and needs will enable them to compete more effectively with the larger, regional and national long distance carriers. Customers will be the beneficiaries of increased competition. The assignment of Customers will be seamless since Assignees will continue to provide the same services at the same rates, terms and conditions that the Customers received immediately prior to the assignment. Assignees currently serve as agents for BLD by providing the billing, collection , customer service and interface functions on behalf of BLD. Customers are

accustomed to dealing with the Assignees in this capacity and nothing in that regard will change with the proposed transaction. The only change for Customers will be the name of their domestic long distance service provider. Assignee will provide advance written notice to the affected Customers at least thirty (30) days prior to the transfer, explaining the change in service provider in accordance with applicable Commission and FCC rules.

EXHIBIT F

Customer Notice and Affidavit

The following notice was sent to Customers on August 15, 2017 through a printed bill insert.

Notice of Long Distance Carrier Change

August 15, 2017

Dear Bright Long Distance Customer:

Great news for your long distance service! Your current long distance company, Bright Long Distance LTD ("BLD") has agreed to transfer a portion of its customer base to Ayersville Telephone Company. **Beginning on or after September 15, 2017, Ayersville Long Distance ("ALD"), a division of Ayersville Telephone Company, will become your new domestic (US) long distance telecommunication service provider.** The specific date of the transfer may differ depending upon when we receive the necessary Federal and State regulatory approvals.

This transaction will not affect the service you currently receive. You will continue to receive services with the same rates, features, terms and conditions as you currently enjoy. Billing will continue to be provided by Ayersville Telephone Company, just as it has been. In the event that changes are made to your service, you will be notified by separate mailing or bill insert at least thirty (30) days prior to the changes becoming effective.

BLD will continue to provide your international long distance service and Ayersville Telephone Company will continue to act as their agent for billing and collection as well as customer service.

You will not incur any charges for the transfer of your long distance account to ALD. All charges associated with that transfer will be borne by ALD. Although you have the right to select the long distance carrier of your choice, we value your business and hope that ALD may continue to serve you. If you should choose another long distance provider you will need to contact that carrier directly to arrange for the change prior to the transfer of your services to ALD. You may also incur service initiation fees from that provider for establishing a new service account.

If you have a preferred carrier freeze on your account it will be automatically lifted to implement the transfer to ALD. You will need to contact ALD or the long distance provider you selected to arrange for a new freeze.

Ayersville Telephone Company will be responsible for responding to any customer inquiries or complaints prior to and during the transfer of service from BLD to ALD. **Our toll free customer service number is 888-907-1916 (or 419-395-2222), which will remain the same after your services are transferred.**

We welcome you to ALD and look forward to providing the same high quality service to which you have grown accustomed with BLD.

Cordially,
