**ANSWER OF DUKE ENERGY OHIO, INC.**

---

For its Answer to the Complaint of Tammy Ross and Karl Ross (Complainants), Duke Energy Ohio, Inc., (Duke Energy Ohio or Respondent) states as follows:

1. The Complaint does not contain any allegations or requests for relief, nor is it in a form allowing for specific admission or denial as to individual allegations. Accordingly, Duke Energy Ohio generally denies that Complainants are entitled to any relief in connection with their Complaint.

2. With regard to the documents attached to the Complaint, Duke Energy Ohio states the easement provided by Complainants is not relevant to their property or the lawful actions Duke Energy Ohio intends to undertake on Complainants' property so as to enable the continued safe and reliable operation of its high-voltage transmission system. Answering further, Duke Energy Ohio states that the easement provides it with the unambiguous right to remove trees and other obstructions in the easement and right-of-way. However, with regard to certain statements

therein, Duke Energy Ohio states that the terms of its lawfully obtained easements speak for themselves and further denies that its request, as docketed under Case No. 16-915-EL-ESS, has not been approved. Said request was approved pursuant to O.A.C. 4901:1-10-27(F)(2). Duke Energy Ohio further states that it has engaged in extensive community outreach, interacting with individual property owners on whose property the Company possesses easement rights and will be working. All remaining allegations, as inferred or implied by the documents attached to the Complaint, are denied.

3. Duke Energy Ohio denies each and every allegation of fact and conclusion of law not expressly admitted herein. Duke Energy Ohio further states that its actions are consistent with its express grants of easement and with its Programs for Inspection, Maintenance, Repair and Replacement of Distribution and Transmission Lines, Section (f), as approved on June 13, 2016. All remaining allegations of this paragraph are denied.

### **AFFIRMATIVE DEFENSES**

1. Duke Energy Ohio asserts as an affirmative defense the easement attached to the Complaint does not concern the property owned by Complainants. Such easement, therefore, cannot support the Complaint. Answering further, such easement expressly confirms the rights of Duke Energy Ohio to engage in vegetation management activities with regard to the property on which such easement exists.

2. The Complainants do not assert any allegations of fact that would give rise to a cognizable claim against Duke Energy Ohio.

3. Duke Energy Ohio asserts as an affirmative defense that pursuant to R.C. 4905.26 and O.A.C. 4901-9-01-(B)(3), Complainants have failed to set forth reasonable grounds for complaint.

4. Duke Energy Ohio asserts as an affirmative defense that Complainants have not stated any request for relief that can be granted by this Commission.

5. Duke Energy Ohio states as an affirmative defense that Complainants lack standing to assert any claims against the Company in respect of property for which they are not the lawful property owner of record.

6. Duke Energy Ohio asserts that to the extent Complainants are seeking monetary damages, such relief is beyond the scope of the Commission's jurisdiction.

7. Duke Energy Ohio asserts that, to the extent the Complainants are seeking equitable relief, such relief is beyond the scope of the Commission's jurisdiction.

8. Duke Energy Ohio asserts that it has superior property rights, as confirmed by lawful grants of easement.

9. Duke Energy Ohio reserves the right to raise additional affirmative defenses or to withdraw any of the foregoing affirmative defenses as may become necessary during the investigation and discovery of this matter.

### **CONCLUSION**

WHEREFORE, having fully answered, Duke Energy Ohio respectfully requests that the Commission dismiss the Complaint of Tammy Ross and Karl Ross for failure to set forth reasonable grounds for the Complaint and to deny Complainants' request for relief, if any.

Respectfully submitted,
