Re: NGO Transmission, Inc. Letter Notification for Pipeline Replacement Project (Line 3-F), City of Heath, Licking County, Ohio, Case No. 17-1994-GA-BLN

Dear Mr. Donlon:

On October 26, 2017, the Ohio Power Siting Board ("OPSB") Staff issued a Report of Investigation approving the above-referenced Project subject to Condition No. 2 that NGO Transmission, Inc. ("NGOT") provide a copy of any floodplain permit required for construction of the project to OPSB Staff.

In compliance with Staff Report Condition No. 2, attached is a copy of the City of Heath Flood Hazard Area Development Permit.

If you have any questions, please contact me at the number listed above.

Sincerely,
NGO TRANSMISSION, INC.

FLOOD HAZARD AREA DEVELOPMENT PERMIT

This permit is issued based on documentation that the information provided in the Flood Hazard Development Permit Application is in compliance with the City of Heath Flood Damage Reduction Regulations.

PROPERTY INFORMATION

Applicant Name: NGO Transmission, Inc.

Phone Number: (740) 348-1212

Address or property location: Irving Wick Drive & James Parkway

Description of development activity:

10" steel pipeline installation through Horizontal Directional Drilling (HDD). No excavation will occur within the limits of the floodplain. Pipeline joints will be welded to ensure an airtight connection both within and outside of the floodplain limits. Three feet of ground cover will be maintained at all points along the centerline of the pipeline.

The permittee understands and agrees that:

- a) An as-built Elevation Certificate will be submitted to the Floodplain Administrator after the first floor of a new, substantially improved, or substantially damaged, residential or non-residential structure is constructed;
- b) A final Letter of Map Revision will be obtained where a Conditional Letter of Map Revision was required as part of the permit application;
- c) The permit is issued on the representations made herein and on the application for permit;
- d) The permit may be revoked because of any breach of representation;
- e) Once a permit is revoked all work shall cease until the permit is reissued or a new permit is issued;
- f) The permit will not grant any right or privilege to erect any structure or use any premises described for any purposes or in any manner prohibited by the codes or regulations of the community;
- g) The permittee hereby gives consent to the Floodplain Administrator to enter and inspect activity covered under the provisions of the Floodplain Management Regulations;
- h) The permit form will be posted in a conspicuous place on the premises in plain view; and
- i) The permit will expire if no work is commenced within one year of issuance.
