RE: Letter of Notification
Lemaster-Harrison 138kV Transmission Line Relocation Project Update
Case Number: 17-2437-EL-BLN

Dear Property Owner:

In accordance with Rules 4906 of the Ohio Administrative Code (OAC), AEP Ohio Transmission Company, Inc., (AEP Ohio Transco) is required to submit a Letter of Notification to the State of Ohio Power Siting Board (OPSB) whenever certain changes are made to our transmission facilities. This is the second filing for this project. We are slightly shifting the location of the transmission line on our property.

The proposed Lemaster-Harrison 138kV Transmission Line Relocation Project Update, Public Utilities Commission of Ohio Case Number 17-2437-EL-BLN, consists of relocating a 138 kilovolt (kV) transmission line on property owned by AEP Ohio Transco. The total length of the Lemaster-Harrison transmission line relocations is less than a half mile long. AEP Ohio Transco will upgrade the transmission line by using primarily single pole, steel structures. This project will be an approximate \$1 million investment by AEP Ohio Transco. The project will traverse York Township in Athens County. Construction is scheduled to begin in March 2018.

In compliance with Rule 4906-6-01, et seq., of the OAC, we have prepared and filed a Letter of Notification with the OPSB. The Letter of Notification to construct, operate and maintain this facility is now pending before the board.

Members of the public are encouraged to comment about this project. You can comment by calling Erin Miller at 614-552-1929 or 877-215-9261 or sending an email to ecmiller1@aep.com. You can also send your comments directly to the OPSB at its contact information listed below. Petitions to intervene in the OPSB process can be filed to the siting board up to 10 days following the public notice announcing the project.

The accompanying map depicts the project area. It should be noted that due to the reduced scale and limited detail, this map should be used only as a general guide. Copies of the actual Letter of Notification, including specific details about the location and construction are available for public inspection at the following locations:

Nelsonville Public Library, 95 West Washington Street, Nelsonville, Ohio 45764

Chauncey Public Library, 29 Converse Street, Chauncey, Ohio 45719

Expectation of early death puts man’s life in tailspin

DEAR ABBY: I spent an evening with a guy I’ve been wanting to date for some time. After a few drinks he confided to me that he has a serious heart condition. He said he doesn’t expect to live past age 23 and he could die any day.

I don’t know the details of his condition, but I’m sure he believes what he told me. Because of this his life has taken a downward spiral. He has been drinking a lot, failed multiple classes last semester and feels like studying is futile if he may only live a year after graduating.

For lack of evidence to the contrary, I accepted his statement as accurate. I don’t think he’d make up something like that. What can I say or do to show my support? How can I encourage him not to give up on his dreams and his goals? He’s only 19. How can I be strong for him?

Since he told me about his heart I

haven’t been able to think about anything else. I don’t know how to process this information. How do you comfort someone you care about who’s facing mortality at such a young age?

BROKENHEARTED GUY IN THE SOUTH

DEAR BROKENHEARTED GUY: If you want to be a friend to this young man, ask how many doctors have told him about his poor prognosis. If the answer is only one, urge him to get a second opinion because there are medical advances in cardiology happening every day, and he may not be nearly as close to the end as he fears.

You say he’s still in school. Suggest he talk to someone at the student health center about his depression because it is interfering with his grades. And while you’re at it, suggest he stop drinking and neglecting his studies because, in the end, he might LIVE.

Dear Abby
Abigail Van Buren

NOTICE OF PROPOSED MAJOR UTILITY FACILITY

AEP Ohio Transmission Company, Inc., (AEP Ohio Transco) proposes to relocate a 138 kilovolt (kV) transmission line in York Township in Athens County.

This is the second public notice for this project. We are slightly shifting the location of the transmission line on our property.

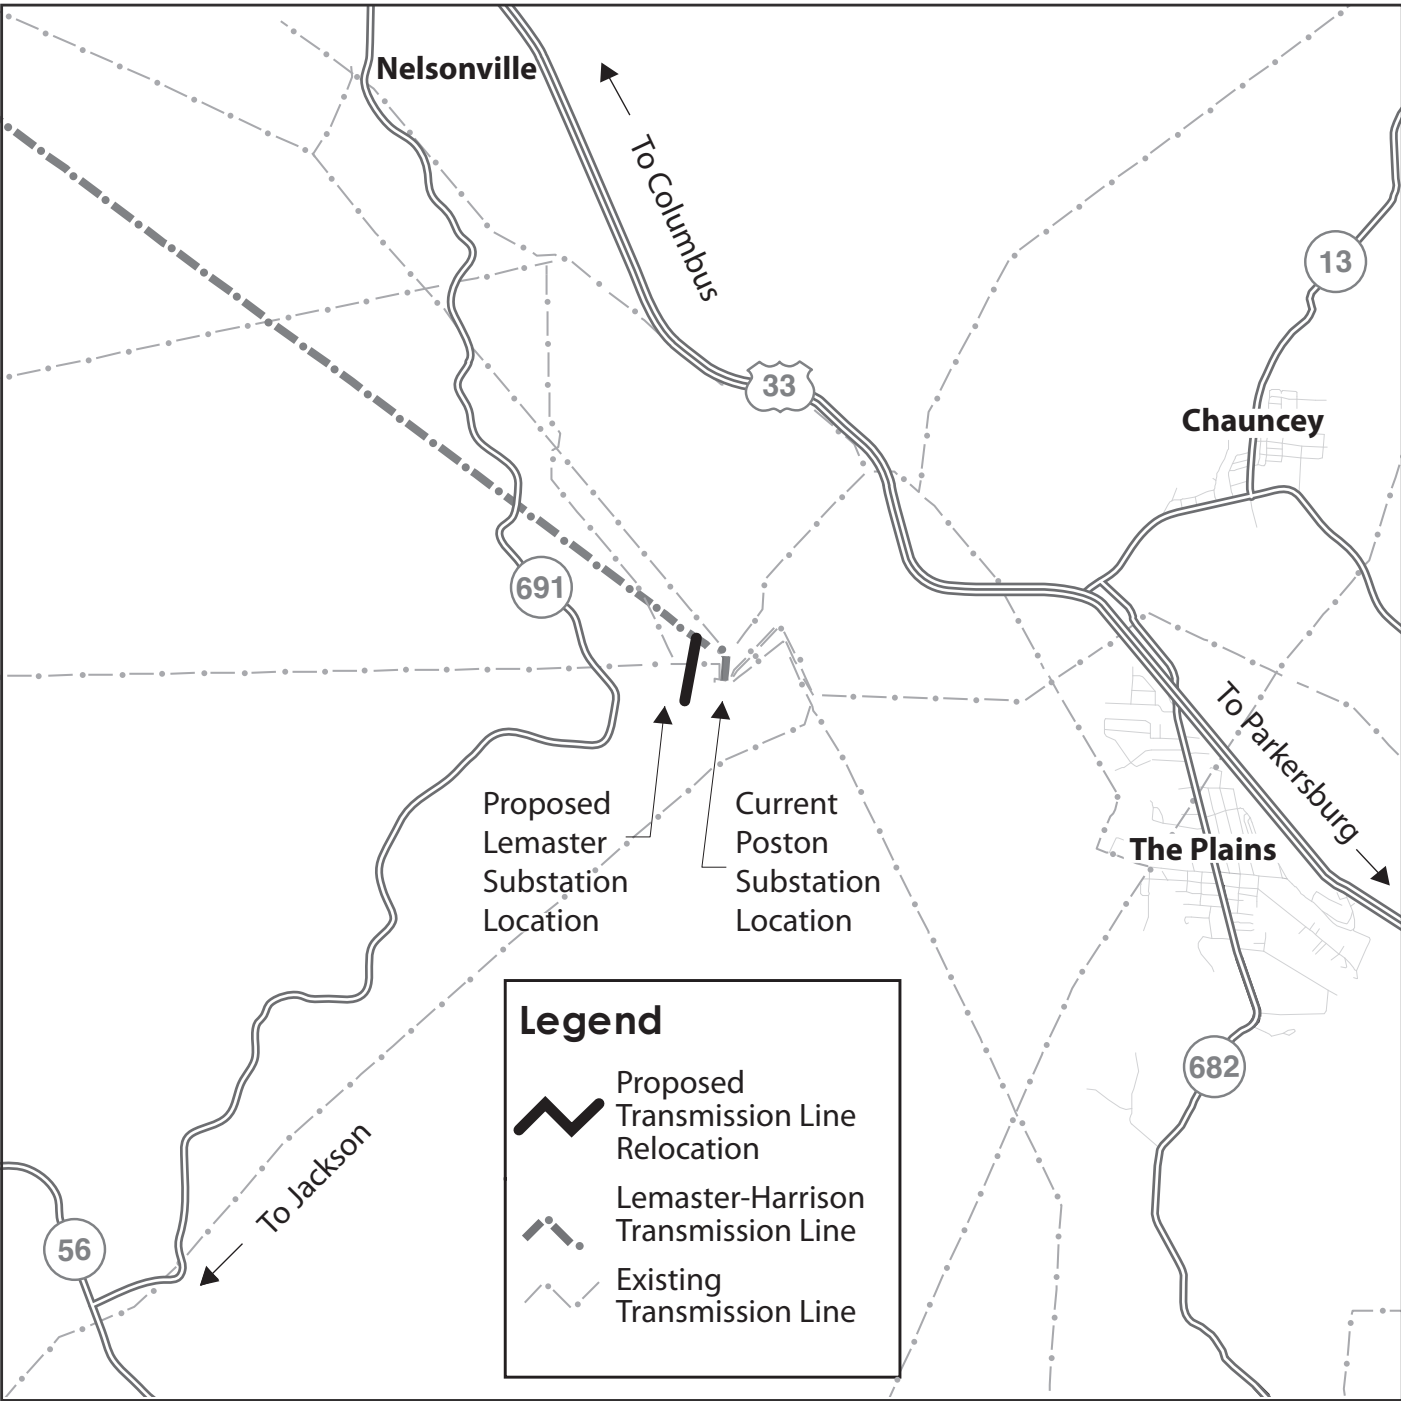

The purpose of the Lemaster-Harrison 138 kV Transmission Line Relocation Project Update is to relocate an existing 138 kV transmission line on property owned by AEP Ohio Transco. This project will help improve and maintain the electric service reliability in Athens County and the surrounding area. AEP Ohio Transco will build the new line using standard single-pole, steel structures. The Lemaster-Harrison transmission line relocation will be less than a half mile long. This project will be an approximate \$1 million investment by AEP Ohio Transco. Construction is scheduled to begin in March 2018.

The project is known as the Lemaster-Harrison 138kV Transmission Line Relocation Project Update. AEP Ohio Transco has filed a Letter of Notification with the Ohio Power Siting Board, under Case No. 17-2437-EL-BLN. This number should be included in all communications with respect to this project. The Letter of Notification to construct, operate and maintain this facility is pending before the board.

Petitions to intervene in the Letter of Notification will be accepted by the siting board up to 10 days following the publication date of this notice required by Rule 4906-2-12, Ohio Administrative Code. Petitions should be addressed to Ohio Power Siting Board, 180 East Broad Street, Columbus, Ohio, 43215- 3793 and must cite Case No. 17-2437-EL-BLN.

The accompanying map depicts the project area. It should be noted that due to the reduced scale and limited detail, this map should be used only as a general guide. Copies of the actual Letter of Notification, including specific details about the location and construction are available for public inspection at the following locations:

BOWL
Continued from page B1
8:30 p.m. (ESPN), Honolulu, Hawaii
Fresno State (9-4) vs. Houston (7-4)
DT Ed Oliver is one of the best watches in college football and was the AAC Defensive Player of the Year. Jeff Bedford's job at Fresno was superb this season, and his club will be more motivated to be here. Take the Bulldogs.
Zaxby's Heart of Dallas Bowl: Dec. 26, 1:30 p.m. (ESPN),
Utah (6-6) vs. West Virginia (7-5)
Two struggling programs from power five conference limp into bowl season in a game few are jazzed about. This is one of three bowls sponsored by fried chicken parts (Zaxby's, Popeyes, and Chick-fil-A).
Quick Lane Bowl: Dec. 26, 5:15 p.m. (ESPN), Detroit, Mich.
Duke (6-6) vs Northern Illinois (8-4)
The 'Who really wants to play?' bowl. NIU gutted out another eight-win season, and DE Sutton Smith (14.5 sacks, 28.5 tackles for loss) is a All-American. The Blue Devils in the Motor City for Christmas? Motivation may be an issue, I'll take the Huskies.
Cactus Bowl: Dec. 26, 9 p.m. (ESPN), Phoenix, Ariz.
UCLA (6-6) vs Kansas State (7-5)
The Bruins have QB Josh Rosen, and the horde of NFL scouts that watch him, but new head coach Chip Kelly isn't on board yet. I like the Wildcats here and ageless wizard Bill Snyder.
Walk-On's Independence Bowl, Dec. 27, 1:30 p.m. (ESPN), Shreveport, La.
Florida State (6-6) vs South

ern Mississippi (8-4)
Again, that's another real sponsorship. Jimbo Fisher left the Seminoles high and dry and I fully expect FSU to sleepwalk through this one. Unfortunately, they're probably still talented enough to beat So. Miss.
New Era Pinstripe Bowl: Dec. 27, 5:15 p.m. (EPSN), New York
Boston College (7-5) vs. Iowa (7-5)
Steve Addazio's 'dudes' at BC won five of six to tied the year. The Hawkeyes took \$2 million out of the Big Ten coffers by thumping OSU this year and helped keep the B10 out of the College Football playoff. Addazio had his job saved with the late surge, but debate will pick up again after Iowa wins.
Foster Farms Bowl: Dec. 27, 8 p.m. (FOX), Santa Clara, California
Purdue (6-6) vs. Arizona (7-5)
Offensive warlock Jeff Brohm got six wins out of the Boilermakers this season. Arizona QB Khalil Tate is the west coast version of Nathan Rourke, with 1,353 rushing yards, 12 TDs on the ground. Should be a wild one, but take Arizona.
Academy Sports and Outdoors Texas Bowl: Dec. 27, 9 p.m. (ESPN), Houston, Texas
Texas (6-6) vs. Missouri (7-5)
Oh how the Longhorns have fallen. Tom Herman makes his return to Houston, but his team plays a lot like Charlie Strong's edition from last year. Missouri is 6-0 after a 1-5 start, and the Tigers will want this one. Take Missouri.
Military Bowl by Northrop Grumman: Dec. 28, 1:30 p.m. (ESPN), Annapolis, Md.
Virginia (6-6) vs. Navy (6-5)
Navy still has a game left with Army, and truth be told most would rather see that again than this exhibition. Navy runs for 347.5 yards per

game, but has lost five of six. The Midshipmen get it done, however.
Camping World Bowl: Dec. 28, 5:15 p.m. (ESPN), Orlando, Fla.
Virginia Tech (9-3) vs. Oklahoma State (9-3)
Classic defense (Hokies) vs. offense (Cowboys) matchup. In today's game, when in doubt always take the offense. OSU rolls.
Valero Alamo Bowl: Dec. 28, 9 p.m. (ESPN), San Antonio, Texas
Stanford (9-4) vs. TCU (10-3)
Cardinal RB Bryce Love needs just 28 yards for 2,000 on the season. The Horned Frogs are 3-3 after a 7-0 start. I don't have a good reason to pick TCU, but I'm going to. Maybe it's the purple.
SDCCU Holiday Bowl, Dec. 28, 9 p.m. (FOX), San Diego, Calif.
Michigan State (9-3) vs Washington State (9-3)
You can't find two more different guys than MSU head coach Mark Dantonio and WSU's Mike Leach. If the Spartans are still upset about missing the Outback (?!?) Bowl, then the Cougars will have a rollicking good time. Sparty is just better however, and the B10 gets a bowl win.
Belk Bowl: Dec. 29, 1 p.m. (EPSN), Charlotte, N.C.
Wake Forest (7-5) vs. Texas A&M (7-5)
The Aggies dumped their coach after the season, and rolled out the red carpet (literally) for Jimbo Fisher. It was a grotesque display. Dave Clawson cut his teeth at Bowling Green, and will be representing the 'everyman' (or at least me) is this one. Calling this one for Wake Forest.
Hyundai Sun Bowl: Dec. 29, 3 p.m. (CBS), El Paso, Texas
Arizona State (7-5) vs. N.C.

State (8-4)
The Wolfpack is a touch-down favorite and Dave Doeren parlayed a good year into a raise thanks to desperation at Tennessee. Gotta respect the hustle. Give me N.C. State.
Franklin American Mortgage Music City Bowl: Dec. 29, 4:30 p.m. (EPSN), Nashville, Tenn.
Northwestern (9-3) vs. Kentucky (7-5)
Hope the Wildcats (UK version) enjoy the bowl experience because they're going to get rolled. The Wildcats (NW version) have won seven in a row. Of note, Athens HS grad Trae Williams has played in 10 game this season at CB for Northwestern (1 INT, 1 FF, 3 PBU's).
Nova Home Loans Arizona Bowl: Dec. 29, 5:30 p.m. (CBS SN), Tuscon, Ariz.
New Mexico State (6-6) vs. Utah State (6-6)
Good for Doug Martin, the former Kent State head coach, who helped guide NMSU back to a bowl game rot he first time since 1960. Going to ride with the guy who played Julian Edelman at QB; take New Mexico State.
Cotton Bowl: Dec. 29, 8:30 p.m. (EPSN), Arlington, Texas
Ohio State (11-2) vs USC (11-2)
The Buckeyes are a touch-down favorite but probably think they should've been in the playoff. USC has Sam Darnold and was overlooked over the last month of the year. I can't pick against J.T. Barrett in his final college game in the state of Texas, however. OSU wins.
TaxSlayer Bowl: Dec. 30, 12 p.m. (ESPN)
Louisville (8-4) vs. Mississippi State (8-4)
The Cardinals' Lamar Jackson, last year's Heisman Winner, could be playing in his final game. MSU is playing without

a head coach after Dan Mullen left for Florida. Pick Louisville, and I miss the Gator Bowl.
AutoZone Liberty Bowl: Dec. 30, 12:30 p.m. (ABC)
Iowa State (7-5) vs. Memphis (10-2)
Matt Campbell has done wonderful work with the Cyclones and helped ISU to two wins over top 5 teams this season. His reward? A game against Memphis in its home stadium. I like the Tigers.
Fiesta Bowl: Dec. 30, 4 p.m. (ESPN), Glendale, Arizona
Washington (10-2) vs. Penn State (10-2)
Call it East Coast Bias, but I can't tell you one concrete thing I like about the Huskies. I got nothing. Penn State? They got Saquon Barkley, and I like him. I'm picking the Nittany Lions to win.
Orange Bowl: Dec. 30, 8 p.m. (ESPN), Miami, Fla.
Wisconsin (12-1) vs Miami (10-2)
It's a home game for the Hurricanes, but the Badgers are a six-point favorite. Wisconsin has lost three of the last four years in the B10 title game; the Badgers won their bowl game after the first two losses. They'll make it 3 for 3, take Wisconsin.
Outback Bowl: Jan. 1, 12 p.m. (ESPN 2), Tampa, Fla.
Michigan (8-4) vs. South Carolina (8-4)
Can Jim Harbaugh beat a team with a winning record this season? I'm going to say no. I like USC, but Harbaugh will definitely win the 'generate headlines with tweets' award prior to kickoff.
Chick-fil-A Peach Bowl: Jan. 1, 12:30 p.m. (ESPN), Atlanta, Ga.
Auburn (10-3) vs. UCF (12-0)
The real debate of the playoff wasn't OSU vs. Alabama. Rather it's why call it a national playoff when UCF — the only

unbeaten team in FBS — was left out of the discussion entirely. The Knights had a perfect season but lost head coach Scott Frost to Nebraska. Sour end to a good year, as Auburn wins.
Citrus Bowl: Jan. 1, 1 p.m. (ABC), Orlando, Fla.
Notre Dame (9-3) vs. LSU (9-3)
Hmm, who to take? Notre Dame has lost six straight bowl games in the state of Florida. LSU has won six of seven after losing to Troy early in the year. Neither team can throw the ball very well. Brian Kelly will get another major case of red face, and LSU wins.
Playoff Semifinal, Rose Bowl: Jan. 1, 5 p.m. (ESPN), Pasadena, Calif.
Georgia (12-1) vs. Oklahoma (12-1)
Soon-to-be Heisman winner Baker Mayfield leads the Sooners into the first semifinal against Georgia (an Alabama clone). I'm hoping the Sooners win, but I dreading the fact that the Bulldogs will. Georgia in a tight one.
Playoff Semifinal, Allstate Sugar Bowl: Jan. 1, 8:45 p.m. (ESPN), New Orleans, La.
Alabama (11-1) vs. Clemson (12-1)
In a rematch of last year's title game, Alabama will make the committee look wise by putting it in the field. The Tide chokes out the Tigers, who don't have otherworldly talent DeShaun Watson to tip the tables this time.
College Football Playoff Championship: Jan. 8, 8 p.m. (ESPN), Atlanta, Ga.
I got Georgia vs. Alabama. The game will be dull, defensively-minded and will suck the joy out of the playoff experience. Of course, Alabama will win (take the original over the clone every time) and the Tide will get a life-time pass to the playoff.

NOTICE OF PROPOSED MAJOR UTILITY FACILITY

AEP Ohio Transmission Company, Inc., (AEP Ohio Transco) proposes to relocate a 138 kilovolt (kV) transmission line in York Township in Athens County.

This is the second public notice for this project. We are slightly shifting the location of the transmission line on our property.

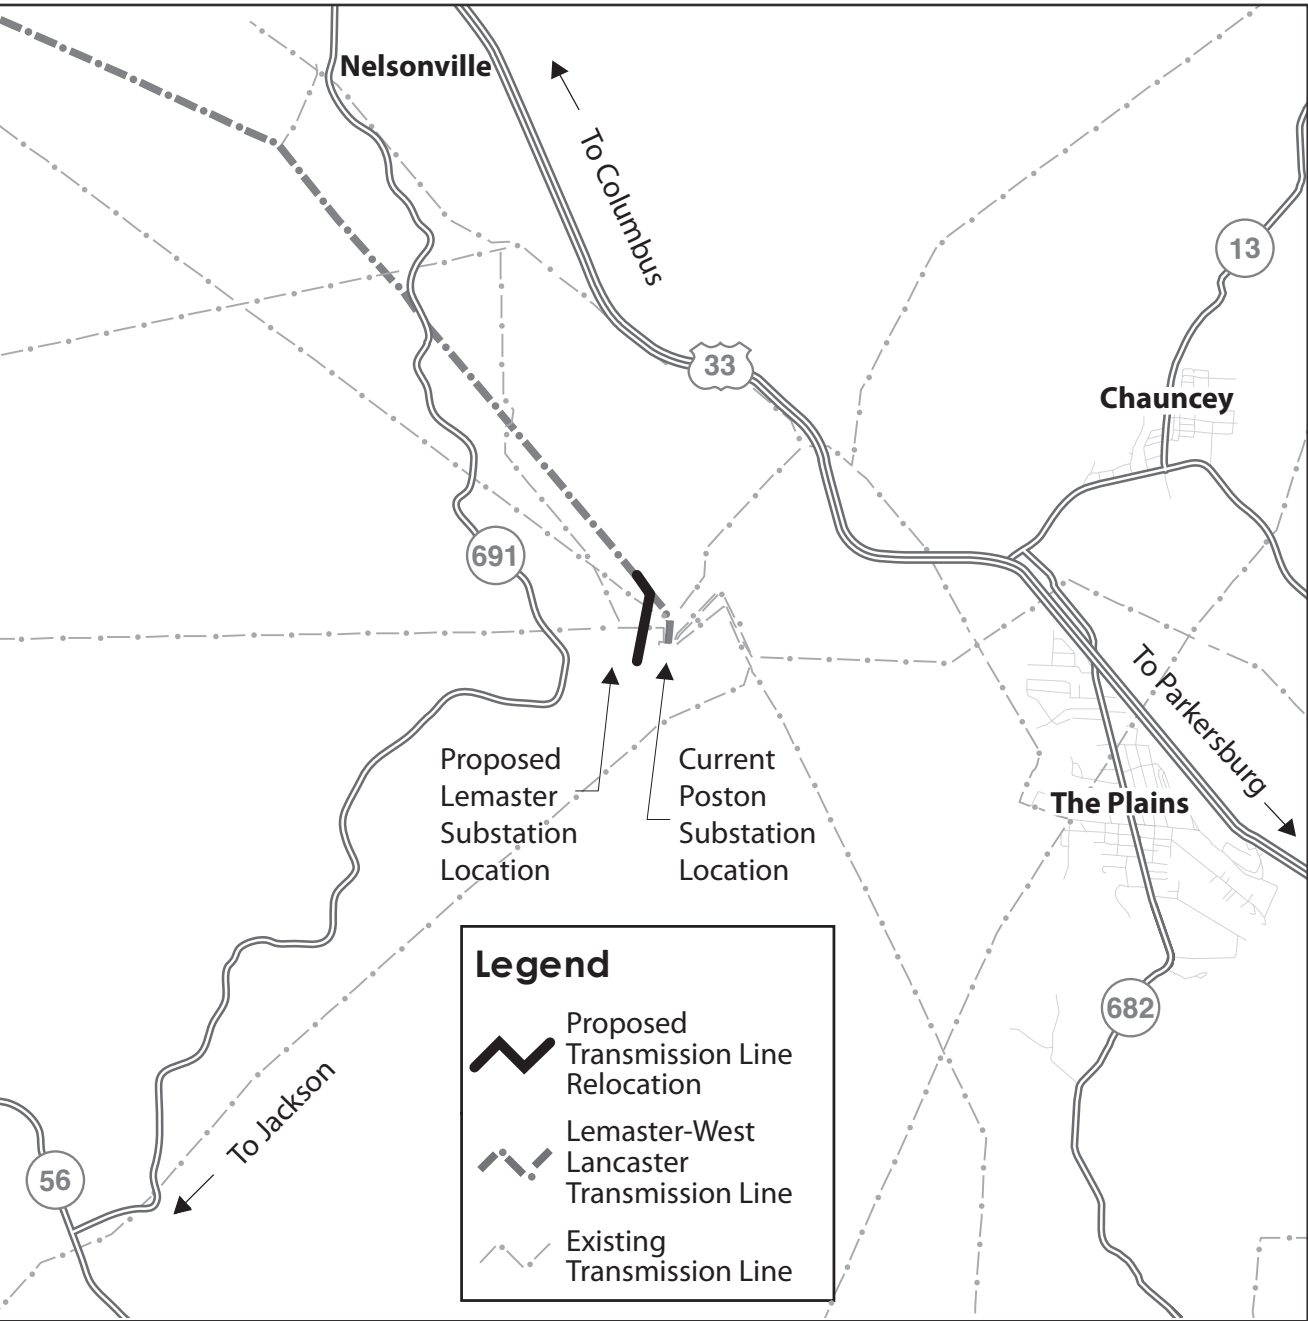

The purpose of the Lemaster-West Lancaster 138-kV Transmission Line Relocation Project Update is to relocate an existing 138 kV transmission line on property owned by AEP Ohio Transco. This project will help improve and maintain the electric service reliability in Athens County and the surrounding area. AEP Ohio Transco will build the new line using standard single-pole, steel structures. The Lemaster-West Lancaster transmission line relocation will be less than a half mile long. This project will be an approximate \$1 million investment by AEP Ohio Transco. Construction is scheduled to begin in March 2018.

The project is known as the Lemaster-West Lancaster 138kV Transmission Line Relocation Project Update. AEP Ohio Transco has filed a Letter of Notification with the Ohio Power Siting Board, under Case No. 17-2438-EL-BLN. This number should be included in all communications with respect to this project. The Letter of Notification to construct, operate and maintain this facility is pending before the board.

Petitions to intervene in the Letter of Notification will be accepted by the siting board up to 10 days following the publication date of this notice required by Rule 4906-2-12, Ohio Administrative Code. Petitions should be addressed to Ohio Power Siting Board, 180 East Broad Street, Columbus, Ohio, 43215- 3793 and must cite Case No. 17-2438-EL-BLN.
