Pursuant to Ohio Adm. Code 4901-1-12, Ohio Edison Company, The Cleveland Electric Illuminating Company, The Toledo Edison Company, (the "Companies") and Ohio Power Company ("AEP Ohio") (collectively, "Joint Movants") hereby respectfully move the Public Utilities Commission of Ohio ("Commission") for leave to file out of time their Memorandum Contra in this proceeding. Joint Movants have participated extensively throughout this proceeding, and only an apparent website malfunction prevented timely submission of their Joint Memorandum Contra. Respectfully submitted,

MEMORANDUM IN SUPPORT

On November 8, 2017, the Public Utilities Commission of Ohio ("Commission") issued a Finding and Order adopting amended rules for net energy metering in the State of Ohio. The Companies timely filed an Application for Rehearing on December 8, 2017. The Companies and AEP Ohio have timely submitted initial and reply comments, applications, and memoranda, and have participated extensively in every phase of this proceeding.

On December 18, 2017, at approximately 5:20 p.m., Robert M. Endris, an attorney for the Companies, attempted to timely file their Joint Memorandum Contra of the Companies and AEP Ohio, but received error messages indicating the PUCO's website was inaccessible. Repeated attempts were made, including confirming that other websites such as Google were readily accessed, but the Commission's website remained unavailable until another attempt at approximately 7:20 p.m. Mr. Endris then submitted the Joint Memorandum Contra at 7:21 p.m., and received the attached confirmation email. The Docketing Division today verified that submission, but indicated that an apparent error in their system prevented them from being able

to do anything with filing. Therefore, Joint Movants hereby re-submit their Joint Memorandum Contra along with this Motion.

For the foregoing reasons Joint Movants respectfully request that the Commission grant its Motion for Leave to File Out of Time.

Respectfully submitted,
