DOCKETING DIVISION
Public Utilities Commission of Ohio

Please docket the below comments filed by Marlene Keating regarding case 17-32-EL-AIR:

I oppose Duke Energy's plan to increase the "fixed fees." We are elderly and on a fixed income, and try very hard to keep our utility bills as low as possible. We lower the thermostat and put on extra clothing, blankets, etc., in order to lower our bills. This proposed plan would really hurt us. Please do not let this happen.
