THE PUBLIC UTILITIES COMMISSION OF OHIO

In the Matter of the Application of Canaan)
Township as a Governmental Aggregator of) Case No. 13-2387-EL-GAG

**MEMORANDUM IN SUPPORT OF
MOTION FOR EXTENSION OF THE CERTIFICATE**

Canaan Township is a governmental aggregator certified by the Commission since January 16, 2014 to provide governmental aggregation services. Canaan Township's current certificate (14-769E(2)) expires on January 16, 2018. Pursuant to O.A.C. § 4901:1-27-09(B), Canaan Township seeks an extension of the current certificate pending renewal of the certificate by the Commission.

An extension of the certificate is warranted in this case. Due to the intervening holidays, communications with Canaan Township regarding the renewal application were irregular. However, Canaan Township's renewal application is being filed today in conjunction with this motion. This motion for extension is not made for purposes of delay. Instead, the applicant seeks to fully comply with all of the Commission rules and certification requirements.

Wherefore, Canaan Township respectfully requests that the Commission extend the current certificate (14-769E(2)) until such time that the Commission can consider the renewal application being filed today.
