DOCKETING CASE #: 17-32-EL-AIR

SUBJECT: Duke fixed fee proposal

Please deny Duke fixed fee increase. If rationale exists for increasing revenue, it should be done via energy usage fees. We are considering energy efficiency upgrades right now, and would certainly be less motivated to contain our usage if a high percentage of our total bill would anyway be fixed. Please establish a structure which encourages conservation across all . Thanks.

Please docket the comment in the case number above.
