Re: *In the Matter of the Individual Complaint of Julia M. Guy and David A. Guy*; Case No. 17-2369-EL-CSS

Dear Sir/Madam:

On Friday, February 2, 2018, we filed a motion to dismiss without prejudice several complaints against Duke Energy Ohio, Inc. (Duke) regarding Duke's vegetation management practices and procedures on behalf of a number of individual complainants who have now joined a joint complaint. However, in the process of filing our motion in more than thirty dockets, we inadvertently included an incorrect case number in the case caption and filed in Case No. 17-2369-EL-CSS. Julia M. Guy or David A. Guy have not joined the joint Second Amended Complaint, they were not listed as complainants in the case caption of the motion, and we have not been retained to represent either Julia M. Guy or David A. Guy. To the best of our knowledge, they have not asked to have their complaint dismissed.

Please consider this correspondence to be a withdrawal of the Motion to Dismiss dated February 2, 2018 that was inadvertently filed in the above-captioned docket, and accept our apologies for any inconvenience that this error has caused.

Sincerely,

Brian W. Dressel
