I. SUMMARY

{¶ 1} The Commission finds that the request of the city of Bryan, Ohio to withdraw the applications for certification as an eligible Ohio renewable energy resource generating facility in these four cases should be granted.

II. DISCUSSION

{¶ 2} Each of the above-captioned applications was filed by the city of Bryan, Ohio, in accordance with Ohio Adm.Code 4901:1-40-04(F), for certification as an Ohio renewable energy resource generating facility, as defined in R.C. 4928.01.

{¶ 3} Ohio Adm.Code 4901:1-40-04(F)(2) provides for automatic approval of an application for certification as an eligible Ohio renewable energy resource generating facility, unless the Commission suspends the application within sixty days. By Entry issued December 21, 2010, and pursuant to Ohio Adm.Code 4901:1-40-04(F)(2), each application was suspended from automatic approval for certification.

{¶ 4} On November 30, 2017, the city of Bryan filed a notice to withdraw these applications. Subsequently, on December 5, 2017, the city of Bryan filed a correction to its request for withdrawal, noting that Case No. 09-1062-EL-REN was inadvertently included in the request.

{¶ 5} The Commission finds that the city of Bryan's request to withdraw these applications is reasonable and should be granted. Accordingly, each of the above-captioned applications should be dismissed.

III. ORDER

{¶ 6} It is, therefore,

{¶ 7} ORDERED, That the city of Bryan's request to withdraw the above-captioned applications be granted. It is, further,

{¶ 9} ORDERED, That a copy of this Entry be served upon all parties of record in each case.
