To whom it may concern,

We are requesting a continuance in the above-mentioned case. We filed a request for witnesses to be present at the last hearing on January 16, 2018. The request was made prior to December 22, 2017 as explained to us in a previous letter sent to us in December 2017. We complied with the document and sent the request viz USPS Priority Mail and said document was received in your office on December 22, 2017 at 8:34am.

Unfortunately, we did not receive a response from the Public Utilities Commission of Ohio confirming receipt of document or whether witnesses were available on hearing date scheduled on January 16, 2018. Therefore, we did not attend. We did speak with Ms. Parrot as a courtesy call the morning of January 16, 2018 in which she advised at that time, all witnesses were in attendance and ready to go forth on the matter.

I asked Ms. Parrot why no letter was sent to us confirming the original request and a reply on witness availability, but none was given. Ms. Parrot did inform me that we can request a continuance in front of the commissioner and simply send a letter requesting such. May this letter/request serve as that document? We look forward to your response.

Sincerely,

Ricky M. Savoie

Anthony K. Culver
