

**BEFORE
THE OHIO POWER SITING BOARD**

In the Matter of the Construction Notice)	
Application of Dominion Energy Ohio for the)	Case No. 17-2337-GA-BNR
PIR #2364 Pipeline Replacement Project.)	

**DOMINION ENERGY OHIO'S
SUPPLEMENT TO CONSTRUCTION NOTICE**

On February 13, 2018, the Ohio Power Siting Board Staff issued its Staff Report, which contains the six conditions listed below:

- 1) Prior to the commencement of construction activities in areas that require permits or authorizations by federal or state laws and regulations, the Applicant shall obtain and comply with such permits or authorizations. The Applicant shall provide copies of permits and authorizations, including all supporting documentation, to Staff within seven days of issuance or receipt by the Applicant.
- 2) The Applicant shall adhere to seasonal cutting dates of October 1 through March 31 for removal of any trees greater than three inches in diameter, unless coordination with the Ohio Department of Natural Resources (ODNR) and the U.S. Fish and Wildlife Service allows a different course of action.
- 3) Prior to construction, the Applicant shall submit to Staff, for review and confirmation that it complies with this condition, a project construction plan that provides the specific locations of its laydown areas and is responsive to ODNR concerns about state listed species and ecological areas of significance. If the specific laydown locations chosen appear to have additional adverse impacts, the Applicant shall either propose different specific locations without such impacts, or refile its application.
- 4) Damaged lawns, driveways, sidewalks, and parking areas shall be restored to original conditions upon completion of construction, and subsequently monitored for settling, cracking and sinking during operation of the facility. Unless otherwise directed by the property owner, concrete panels (if applicable) shall be replaced in their entirety rather than cut and patched.
- 5) The Applicant shall maintain traffic along public roadways and shall maintain access for adjacent land uses during construction.

- 6) Work within 660 feet of a bald eagle nest or within the direct line of site of a nest shall be not occur from January 15 through July 31. Existing trees shall be preserved as much as possible to preserve the character of the habitat.

By this submission, Dominion Energy Ohio (“DEO”) incorporates the above conditions as a supplement to its Construction Notice filed November 21, 2017, and requests that this supplement be considered part of DEO’s application.

Respectfully submitted on behalf of,
DOMINION ENERGY OHIO
