Entered in the Journal on February 20, 2018

{¶ 1} On May 3, 2017, the Commission issued a Finding and Order authorizing CSX Transportation (CSX) to upgrade active warning devices at the Piqua Sidney Road/County Road 25A (DOT#155214W) grade crossing in the city of Piqua, Miami County. The Commission ordered completion of the project by February 3, 2018.

{¶ 5} Upon review of CSX's request and Staff's recommendation, the attorney examiner finds that a 30-day extension of time should be granted. Unless otherwise authorized, CSX should complete the project as soon as possible, but no later than

March 2, 2018. In addition, Piqua Power System (PPS) should advise Staff once utility service is active at the crossing.
