COMMENTS: I looked at exhibit AA . Showed all my co workers that have lived here their entire lives they can't believe the deception in these photos . Many pictures are taken facing away from the site ,the narrative below is inaccurate mostly stating the wrong direction . One in particular is the back of my property that is page 58 & 59 These pictures have been altered I have contacted local news media to cover a story how they are trying to deceive the board at PUCO. My house and several of my neighbors houses are mysteriously missing from the photo .
