Re: Vectren Energy Delivery of Ohio, Inc. Notice of Intent, Case No. 18-0299-GA-ALT

Dear Ms. Turkenton and Mr. Williams:

Pursuant to Rule 4901:1-19-06(A), Ohio Administrative Code, Vectren Energy Delivery of Ohio, Inc. (VEDO) hereby formally notifies Commission Staff of VEDO's intent to file an application for approval of an alternative rate plan under R.C. 4929.05. The application will request approval of an alternative rate plan including the following proposals and related relief:

- Extension and adjustment of the scope of the Distribution Replacement Rider (DRR) most recently approved in Case No. 13-1571-GA-ALT.
- An incentive to qualifying developers and owners of multi-family buildings to cover certain costs related to natural gas piping and venting in those buildings.
- The expansion of SFV rate design to small non-residential customers.
- A monthly adjustment for billing purposes to customers' usage to reflect the variability in the energy content of the gas they consume.

VEDO intends to file its application no earlier than 30 calendar days from the date of this letter. Please let me know if there are any questions.

Respectfully yours,

/s/ Andrew J. Campbell
