NOTICE OF PROPOSED MAJOR UTILITY FACILITY

AEP Ohio Transmission Company Inc. (AEP Ohio Transco), an affiliate of AEP Ohio proposes to replace an existing substation with a new 138-kilovolt (kV) substation in Perry Township in Allen County. The project is known as the Sterling Station Project.

The purpose of the project is to improve electric service reliability in Allen County and the surrounding area. The project involves building a substation utilizing approximately 4 acres of a 7-acre property owned by AEP Ohio Transco, adjacent to an existing substation. This project will be an approximate \$30 million investment by AEP Ohio Transco. Construction is scheduled to begin at the end of 2018.

AEP Ohio Transco filed a Letter of Notification with the Ohio Power Siting Board, under Case No. 17-0812-EL-BLN. This number should be included in all communications with respect to this project. The Letter of Notification to construct, operate and maintain this substation is pending before the board.

Petitions to intervene in the Letter of Notification will be accepted by the siting board up to 10 days following the publication date of this notice required by Rule 4906-2-12, Ohio Administrative Code. Petitions should be addressed to Ohio Power Siting Board, 180 East Broad Street, Columbus, Ohio, 43215-3793 and must cite Case No. 17-0812-EL-BLN.

The accompanying map depicts the project area. It should be noted that due to the reduced scale and limited detail, this map should be used only as a general guide. Copies of the actual Letter of Notification, including specific details about the location and construction are available for public inspection at the following locations:

Lima Public Library, 650 West Market Street, Lima, Ohio 45801
