KENNETH B. LOGAN,**

**COMPLAINANT,**

**v.**

**CASE NO. 17-1943-EL-CSS**

**OHIO POWER COMPANY,**

**RESPONDENT.**

**ENTRY**

Entered in the Journal on February 23, 2018

{¶ 1} On September 6, 2017, Kenneth B. Logan (Complainant) filed a complaint against Ohio Power Company (AEP-Ohio) in which he alleged that, in part, AEP-Ohio misread his meter, billed him improperly, and failed to issue a rebate.

{¶ 2} On September 26, 2017, AEP-Ohio filed an answer in which it denied all material allegations in the complaint and set forth affirmative defenses.

{¶ 3} On December 18, 2017, the parties engaged in a mediated settlement conference. On the same day, AEP-Ohio filed a motion to dismiss, asserting that all issues have been resolved.

{¶ 4} Considering AEP-Ohio's assertion that all issues have been resolved, the complaint should be dismissed. However, if the Complainant opposes the dismissal of the complaint, the attorney examiner shall provide the Complainant 20 days from the date of this Entry to file a written statement disagreeing with AEP-Ohio's assertion and stating whether he wishes to pursue the complaint. If the Complainant does not file a written statement of disagreement within 20 days, the attorney examiner shall recommend that the complaint be dismissed.

It is, therefore,

ORDERED, That, in accordance with Paragraph 4, the Complainant be granted 20 days to file a written statement opposing AEP-Ohio's motion to dismiss. It is, further,

ORDERED, That a copy of this Entry be served upon the parties and interested persons of record.
