**Re: NTE Middletown Energy Center Electrical Interconnection,
OPSB Case No. 14-2314-EL-BLN**

Dear Ms. McNeal:

NTE Ohio, LLC's ("NTE") Letter of Notification was automatically approved as of January 28, 2015. Through an inadvertence, NTE did not notify the Ohio Power Siting Board when construction started and when it was completed.

Pursuant to Ohio Administrative Code Rules 4906-6-11(B) and (D), this letter serves as notice that construction on NTE Middletown Energy Center Electrical Interconnection began on June 20, 2016. Construction was completed and the substation went on line on July 24, 2017. My apologies for this oversight.

Please do not hesitate to contact me if you have any questions.

Sincerely,

Sally W. Bloomfield
