Re: *In the Matter of the Application of Ohio Power
Company to Update its Enhanced Service Reliability
Rider, Case No. 15-1549-EL-RDR*

Dear Examiners See and Parrot:

On September 1, 2015 Ohio Power Company (AEP Ohio) filed an Application to update the Company's Storm Damage rider. On April 7, 2016, Staff filed its review and recommendations in response to AEP Ohio's application. The Company filed responsive comments on April 21, 2016. On February 23, 2018, Staff subsequently filed its updated review and recommendations.

While the Company supports the facts and positions set forth in its Application and its April 7, 2016 comments and does not agree with all of the statements and recommendations supporting Staff's February 23, 2018 updated position, AEP Ohio can accept the Staff's updated position as a reasonable outcome to this case.

Thank you for your attention to this matter.

Respectfully Submitted,

//s/ Steven T. Nourse
