**Attn members of the OPSB;**

I am a member of NOPE and a long time resident of Blue Ash. I have read Duke Energy's new proposal for the high pressure gas line, which will go on Glendale-Milford Rd to Reading Rd. Blue Ash Summit Park, which is a cultural and recreational center for Blue Ash and the surrounding areas, is in the DANGER ZONE if a pipeline failure occurs. This is not good plan or location for the pipeline.

There have been multiple nationwide failures of this type of pipeline. It has been proven that the local areas in Hamilton County do not need the natural gas this pipeline would supply.

**I AM URGING YOU TO DENY THE CURRENT PERMIT FOR DUKE ENERGY TO BUILD THIS PIPELINE.**

**IT WILL PUT ANYONE USING THIS PARK, AND THE HOMES ON GLENDALE-MILFORD RD IN SERIOUS DANGER. THESE AREAS ARE IN THE BLAST ZONE.**

**PLEASE, PLEASE DO YOUR JOB AS AN APPOINTED MEMBER OF THE OPSB AND A HUMAN, AND REJECT DUKE ENERGY PROPOSAL.**

**THANK YOU VERY MUCH.

To whom it may concern,  
Are you personally invested in the Duke Pipeline issue? Are you a true representative for Ohioans?

If you value the safety and voice of the people then I ask you to not allow the Duke pipeline to be built. Citizens are opposed and our voice should be heard.

I am especially opposed to the orange route!!

Thank you!!

Monica
